# PRESIDENT Message

Dear FTAPCCIates,

It gives me great pleasure to present the 101 Annual Report of the Federation together with the Annual Accounts and the Auditor's Report for the year 2017-2018.

For me as the President of this 100 year old prestigious organization has been truly a wonderful experience and I feel deeply satisfied with the work that we have been able to accomplish during the course of the year. I took it as a serious responsibility and made my best endeavors to fulfill the Vision and Mission of our FTAPCCI in my tenure. As I now lay down the office of the President after completion of my tenure, I feel I can look back with the satisfaction of having done my best.

The first year of the Centennial began with a new aggression and a new path for FTAPCCI to be the primary lighthouse for trade and businesses in both the States of Telangana and Andhra Pradesh. FTAPCCI has been serving the industry and trade tirelessly and representing Telangana and Andhra Pradesh on matters of interest to industry, trade and commerce – be it formulation of policies, representing industry in various Government Committees, bringing issues to the notice of the concerned officials.

The year 2017 has been a historic one due to implementation of GST, improvement in ease of doing business rankings, sovereign rating upgrade and bank recapitalization, besides cleansing the financial system by demonetization. GST – One Nation, One Market, One Tax is the biggest business and economic reform of India. The GST Council has been very responsive to suggestions made by states and the industry in calibrating the tax rates. We hope these initiatives will significantly widen the tax base and help industry to grow further.

FTAPCCI has always been in forefront in welcoming the fundamental reforms especially Goods and Services Tax (GST), rolled out on 1 July, 2017, a uniform tax structure that replaced 17 different levies, including

excise, service tax and VAT. FTAPCCI has been providing knowledge & training to its members and the general public on various aspects of GST by conducting several programs. FTAPCCI compliments GST Team for successfully ushering in GST. We are confident that once GST system settles down and stabilises, it would prove to be a game changer and bring uniformity in procedures across the nation. By virtue of cost of doing business & ease of doing business more opportunities have opened up for large and multi nationals to invest in India.

The Goods and Services Tax (GST) Council in its 26th meeting gave nod for the rollout of e-way bill system for all Inter-State movement of goods, consignment value exceeding Rupees fifty thousand, across the country from April 01, 2018. For intra-State movement of goods, e-way bill system was introduced in a phased manner from June 01, 2018, to bring uniformity across states for seamless inter-state movement of goods.

FTAPCCI welcomes the draft Agriculture Export Policy, aimed at doubling agricultural exports and integration of Indian farmers and agricultural products to the global value chain. The policy will bring about yet another revolution like the green revolution. To harness the potential of agriculture exports and integration, there is a need to factor in technological disruptions, challenges due to climate change, positive use of India's demographic dividend, conscious effort to make India's manufacturing sector a part of global value chain and recognizing the importance of small and medium scale enterprises to fuel India's growth story.

During the interaction with Commerce Secretary and other Senior Officials of Central/State FTAPCCI has submitted issues pertaining to Supplies to Merchant Exporters such as Policy of Deemed Exports, GST on Ocean Freight, Advance Authorization, Allocation of files between Central and State tax authorities, Steep Hike in Various Charges payable by the Industry, Creation of

an Ombudsman for Resolving Export Related Problems and Disputes, Creation of exclusive Export Promotion Commissionerate/Department at State level, Setting Up of State Export Promotion Council/Trade Facilitation Centre, and Digitization of DGFT, apart from GST. Commerce Secretary and Senior Officials of Central/State assured to look into the matters for early Redressal of issues raised by FTAPCCI.

FTAPCCI has always been striving to support the State Governments of both Telangana and Andhra Pradesh in taking proactive business friendly measures and it is proud moment for every one of us that two Telugu States have topped the rankings in 'Ease of Doing Business (EoDB)'. Telangana Government is vigorously promoting and making concerted efforts to bring in more and more number of units into the State. To put in place and improve the ease of doing business levels, FTAPCCI requested the Government of Telangana to release total budget allocated for the year 2017-18 and also to provide an additional budget provision of Rs.1200 crores for the year 2017-18 to streamline the system. This will enable the disbursement of pending incentives to the entrepreneurs who are facing number of difficulties due to non-release of incentives for more than three years (in the case of VAT from Dec 2013).

Andhra Pradesh Government is striving hard by focusing on industrial development by adopting best practices. The various sector policies implemented by State resulted in achieving 11.22 per cent economic growth rate against 6.5 per cent at the national level. We are convinced that the two States will be at the top in most industrialized States in the country very soon.

FTAPCCI welcomed the Telangana Budget for 2018-19 with 30% increased allocation of Rs.1286 crore for the industries and commerce department compared to Rs.985.14 crore allocated for the current fiscal. FTAPCCI appreciates the Government efforts in attracting more investments and new projects, to create more employment. FTAPCCI feels that additional allocation would have helped to take care of the pending incentives.

Andhra Pradesh Budget 2018-19 was also focussed on increased allocation towards uplifting the farming community, healthcare and towards establishing a knowledge economy by introducing the latest technology to educational pedagogies. The total expenditure in 2018-19 is targeted at Rs 1,91,064 crore. This is 19.5% higher than the revised estimates of 2017-18.

The Global Entrepreneurship Summit (GES) was a significant event happened in Hyderabad for the first time in South Asia which paved the way to increase economic opportunities and inclusive growth between India and the US. The theme was Women First, Prosperity for All, focusing on supporting women entrepreneurs and fostering economic growth globally. GES highlighted India's enabling environment for innovation and entrepreneurship. GES participants were truly global, with representation from every region of the world. Entrepreneurs represented a diverse range of geographies, industries, business size and scalability. The summit has provided a collaborative environment for the exchange of ideas, to broaden networks, and to empower entrepreneurs to take their ideas and passion to the next level.

FTAPCCI delegation called on the Chief Minister of Andhra Pradesh and briefed the initiatives taken by FTAPCCI for promoting the economy. A big ticket event, Food Processing Industry Conclave 2018 was held during 4-6 January, 2018 at Vijayawada. The Summit was intended to promote government initiatives on food processing industry, opportunities in various segments of food industry, latest technologies/innovations in food processing and packaging, schemes of Central & State Government and to address issues related to Food safety, Standards and marketing strategy for food products.

The Government of Telangana and Telangana State Higher Education Council (TSCHE) are driving several reforms in Higher Education to promote job readiness and innovation among students graduating from colleges in the State. FTAPCCI welcomed the initiative of Govt. to ensure that each student in a technical stream completes an internship before graduating. To promote internships and employability of students, members have been requested to provide their intern requirements for the duration of 2-3 months. The internships are unpaid and geared towards providing hands-on experience to students in primarily Manufacturing and other services sectors.

After a long wait, the Telangana government has come out with orders prescribing rules for charging parking fee by multiplexes, malls and commercial establishments in the city and other urban areas. However, it does not prescribe any limit on the amount of parking fee that can be charged for two-wheelers and four-wheelers. In this direction, FTAPCCI organized a Program on Parking Management bringing all stakeholders together

on a common platform to understand and discuss the development and challenges in making Hyderabad as a Model City for parking management.

Recently, a global consulting firm, ranked Hyderabad as the top Indian city for the successive fourth year for quality of living. Considerable investment in physical infrastructure, including airports, public transport and communication facilities are the factors used to evaluate city living standards. Another achievement was that Hyderabad and Visakhapatnam are among the top five cities having the highest internet speeds in the country. Hyderabad is ranked third, after Bengaluru. Visakhapatnam.

He informed that the single window clearance policy i.e, TS-IPASS is acclaimed as one of the best in the world by one and all.

We, at FTAPCCI firmly believe that your growth and prosperity is ultimately our growth and our mission fulfilled. Interaction between the Government and Industry has increased manifolds and FTAPCCI is being consulted almost on all major issues affecting the economy, law and order and foreign economic diplomacy.

I would like to thank the Media for their continuous and positive coverage on the activities and the efforts taken by the FTAPCCI towards betterment of trade and industry in the State.

I would like to place on record my sincere thanks for the support received from the Past Presidents, Managing Committee Members, Chairman/Co-Chairmen of the

Committees and all our committee members and staff. I have striven with utmost sincerity and to the best of my ability to live up to your confidence. I have no doubt you will continue to extend as ever your arm of cooperation to my successor. Your feedback from time to time will go a long way in further raising the stature of FTAPCCI.

In my tenure as the President, I made concerted endeavor to preserve FTAPCCI's place of pride as a credible and visible representative of Trade, Industry and Commerce in the States of Telangana and Andhra Pradesh. My vision was to explore new avenues and emerge as a knowledge chamber par excellence. FTAPCCI has started providing training on getting ready for GST enlightening the trade and industry about precautions to be taken while filing the returns, calculation of eligible input tax credits and operational issues relating to migration of existing assesses. FTAPCCI continued to have meaningful events, delegations and interaction on

various relevant issues.

As I demit my Office, I pass on the baton to Mr. Arun Luharuka, Senior Vice President, who will assume the charge as President after the AGM and carry on the mission of FTAPCCI.

I encourage each and every member to become more involved, to take advantage of the many programs and opportunities and refer other businesses ....let's make FTAPCCI a place where businesses can turn their entrepreneurial dreams into goals and into reality!

***Let us work together to contribute to a better tomorrow.***

**GENERAL**

**FTAPCCI jointly with Rotary Club of Hyderabad and Twin Cities Forum organized a Joint Meeting to celebrate the eve of 71<sup>st</sup> Independence Day - 14<sup>th</sup> August, 2017 – FTAPCCI Auditorium, Federation House, Hyderabad.**

Sri Gowra Srinivas, President, FTAPCCI mentioned that Dr. Subba Rao's appointment as RBI Governor in 2008 was coincident with the outbreak of the Global Financial Crisis and he had safely stewarded Indian economy through the financial crisis. He informed that FTAPCCI was constantly striving to support both the Governments in taking proactive business friendly measures. Dr. Duvvuri Subba Rao, Reserve Bank Governor 2008-2013 stated that India needs to up its investments in the manufacturing segment. Though the Government was taking up many reforms, the growth happening so far has not resulted in creation of significant number of jobs. While agriculture continued to be the biggest employment creator, the productivity has been low. Speaking on 'India -Will the elephant start dancing?', Dr. Duvvuri Subba Rao mentioned that we need to invest more than 10 per cent of the GDP in infrastructure creation. We are not even doing two per cent. Agriculture in the country is besieged with poor production, poor credit

facilities, low investments and inefficient supply chain. There are no price signals for the farmers, which is a trait of deeper developed markets. Even as there are debates over merits and demerits of farm loan waivers, the government should focus on improving the irrigation facilities, offer rainfall insurance and address other structural issue. He stressed that the focus should be on improving the education outcomes, skills and employability. He lauded the mid-day meal that is helping millions. Rtn. J. Abraham, District Governor (District 3150), Rtn. Suraj Shetty, President of Rotary Club of Hyderabad, Rtn. Vijaylakshmi, Chair, Twin Cities Forum, Sri Arun Luharuka, Senior Vice President and Sri T.S. Appa Rao, IAS. (Retd.), Secretary General of FTAPCCI also addressed the meeting.

**Talk on Current State of Economic Affairs - 9<sup>th</sup> October, 2017 – FTAPCCI Auditorium, Federation House, Hyderabad.**

Dr Sanjaya Baru, Secretary General, FICCI addressed the gathering. Sri Gowra Srinivas, President, FTAPCCI said that 2017 seems to be the most challenging year for the Indian economy in its 70 years of independence. Growth has slowed down in recent years and several challenges remain unsolved. The state of the economy is much in discussion these days. The recent resurgent GDP growth rates had earned India the tag of fastest growing economy, But, it reversed in the past three quarters. Much of the criticism seems to be centered on the effects of demonetization, its apparent failure to curb black money, and the teething troubles of the GST. Dr Sanjaya Baru, Secretary General, FICCI, said that the domestic manufacturing sector was lagging behind other nations. He expressed concerns over the drop in investments, while adding that this could further impact the performance of industry and business as well. He mentioned that Investors sentiment to invest in 'Home India' will change the fate of Indian Business. Businessmen are more comfortable investing outside India and they are not confident about the future of their investments in the country. He said there is a need to restore confidence among the private investors to boost private investments in the country. Unless the investors within the country do not invest, it will be difficult to convince foreign investors to pump money into India, he opined. He mentioned that FICCI State chapters will be working closely with the State Chambers to promote the economy of the country. Sri Arun Luharuka, Sr. Vice President and Sri T.S. Appa Rao, IAS. (Retd.), Secretary General of FTAPCCI also addressed the meeting.

The EC had deliberated several issues faced by the MSME entrepreneurs and reviewing the functioning of committees constituted under the framework for rehabilitation and restructuring of MSMEs. The members were informed of results of a study conducted by RBI to ascertain the levels of financial literacy among the MSMEs. A cluster based approach was followed and a total of 1943 enterprises were surveyed for this purpose. A total of 1943 enterprises were surveyed for the analysis. Out of these units, 47%, 46% 7% were micro, small and Medium enterprises respectively. The major findings of the survey highlighted the need for financial literacy among the MSMEs enterprises, specially the micro enterprises.

Shri Jagannadh Swamy, AGM, SLBC, made a presentation on credit flow to MSME sector for the quarter ended September 2017.

**Meetings of Telangana State Minimum Wages Advisory Board (TSMWAB):**

The Telangana State Minimum Wages Advisory Board held four meetings during the year April 2017 to March 2018.

In the 2<sup>nd</sup> Board Meeting, it was suggested by the Employees' Representatives that of the 34 Scheduled Employments sent to the Government for final notifications, 9 Schedules were calculated at 1169 CPI Points and others were calculated at 1286 CPI Points. Hence it was requested to resend those 9 schedules by revising the Minimum Wages at 1286 CPI Points.

In the 3<sup>rd</sup> and 4<sup>th</sup> Meetings of the Board, another 24 Scheduled Employments were taken up for revision of minimum wages. The employees' representatives have suggested for Rs 15000 as revised minimum wage for unskilled workers in all the Schedules. This was opposed by Employers' representatives stating that the Board has no jurisdiction to change the Schedules and also to recommend uniform minimum wages across all the Schedules.

Apart from Revision of Minimum Wages the other issues that were discussed are: Adding/Deleting some of the designations, implementation of Zonal System for fixing the minimum wages in all the Schedules (currently Zonal System is followed in 14 employments), incorporation of new schedule of employments (FTAPCCI has given

representation to create new schedule for Food Processing Industry), and De-notification of employments such as Slate, Betel Nut, Salt Pan, Tea Plantation etc as their presence in Telangana State is either Zero or marginal. The government of Telangana, so far, has not finalized the revision of minimum wages for any schedule of employment

**Meeting of Commissioner of Civil Supplies with the Sugar Dealers. – August 18, 2017 – C.S. Bhavan, Hyderabad**

The Commissioner of Civil Supplies and other officials of the Department, and Dealers of Sugar, Retail and wholesale merchants have attended the meeting. The Commissioner said that recently the Government of India has pointed out that there is price crisis on sale of Sugar in the States. The President and Treasurer of the Sugar Dealers Association said that there is no price crisis in Telangana State. The retail price of the Sugar is at Rs.38 to 40 only. Good quality sugar is Rs.40. In the festival days it may be Rs.42/- which will be sold by the Retailers. Hardly 5 to 6 Sugar Mills are running in Telangana State and they are also facing some problems.

One of the departmental officer pointed out that one dealer at Mukthiyar Gunj was found selling the sugar but on verification, it was found that he was not having license. The dealers said that all sugar dealers at Mukthiyar Gunj, Kishan Gunj and Begum Bazar having Licenses. The person who was selling without license may not be the Association Member.

The Commissioner said that the Government of Telangana has issued a Gazette Notification under “The Telangana Sugar Dealers (Licensing Storage and Regulation) Order, 2016” on August 26, 2016 instructing all the Sugar Dealers to obtain fresh license. The Association members said that the departmental authorities have not brought to their notice. The Commissioner instructed concerned officer to communicate the Gazette Notification to all the Dealers.

**Public hearing on additional cross-subsidy surcharge on Open Access Consumers for the year 2017-18 – October 11, 2017 – TSERC Bhavan**

TSERC has conducted public hearing on the proposal of imposition of additional cross- subsidy of 1.95 paisa per unit on Open Access Consumer under TSSPDCL and TSNPDCL. FTAPCCI objected to the claim of additional surcharge under the grounds of non- maintainability of petition, errors in the computations, and imposition of disproportionately high demand charges on the industrial consumer. It is prayed to reject the petition in absence of requisite data and information to establish that there is stranded capacity due to open access consumers. Ms Sujatha appeared before the Hon’ble Commission and presented the objections.

**State Advisory Committee Meeting of APERC – January 08, 2018 – APTRANSCO Office, Gunadala, Vijayawada, Andhra Pradesh**

FTAPCCI has submitted Agenda points for SAC Meeting highlighting the points of stagnation of share of manufacturing sector in APGSDP, increasing share of NPAs, decreasing proportion of industrial power consumption and tariff related issues.

FTAPCCI AND APSMA stressed that since 80% of ARR arises out of Power Purchase Costs there is no scope to reduce HT TARIFF unless economies are derived by higher PLF (85%) for reducing fixed and variable costs in power purchase. They have stated that the ARR should also include their “TRUE UP “ Petition, else a true picture of the DISCOMS will not be clear. JMD APTRANCO who presented the ARR stated that they have not proposing increasing tariff but proposes a CSS and Additional CSS for open access. Sri Vijay Gopal Reddy, Co-Chairman, Energy Committee represented FTAPCCI at the meeting.

**Telangana State Micro and Small Enterprises Facilitation Council Meeting – January 20, 2018 – Commissionerate of Industries, Chirag Ali Lane, Hyderabad**

73 cases for claim of delayed payments by the buyers were heard. 7 cases pertaining to Rural Water Supply department of various districts in Andhra Pradesh were instructed to clear the dues by the end of March. 10 cases were referred to Arbitration due to failure to conciliate, and remaining cases were posted for next hearing.

**State Advisory Committee of Telangana State Electricity Regulatory Commission Meeting – January 27, 2018 – Singareni Bhavan, Hyderabad**

The Hon’ble Commission heard the objections/suggestions on proposals of Telangana DISCOMs on ARR and Retail Supply Tariffs and also Cross Subsidy Surcharge and Additional Surcharge for open access consumers for the yr 2018-19.

Few major issues like Revenue Gap in ARR, lack of government commitment on subsidy amount, irrational power purchase agreements and passing on the fixed costs burden of Generators and Distributors in toto on to the consumers were brought to the notice of the Hon’ble Commission. Sri Vijaya Gopal Reddy and Smt. Sujatha attended the meeting.

**Public Hearing on ARR and retail supply Tariffs, Cross Subsidy Surcharge and Additional Surcharge proposals of AP DISCOMs for the yr 2018-19 – February 07, 2018 – Vijayawada**

Mr. Saurabh Srivastava from Meracados Energy Markets presented the objections on the proposals on behalf of FTAPCCI. The major objections were on: Non Adherence to MYT Regulations, non adherence to NTP, imposition of ‘additional surcharge’ When seen from the perspective of eligible power purchase sources, the DISCOMs may not be having any stranded fixed cost obligation, errors in energy sales estimates, inconsistencies in the claims made by the DISCOMs about power purchase costs etc..

Apart from the above objections on ARR proposals, Smt Sujatha, Deputy Director requested the Hon’ble Commission to take notice of two issues affecting the MSME sector:

1. that the contracted load limit of 100 HP of LT III Industry Category is causing huge financial loss to the MSMEs, more so to micro and small units, because those who are with more than 100 HP are considered as HT I Industry category for billing purpose, making it mandatory for them to pay demand charges for minimum 80% of contracted load. Most of these units’ load factor will be 40 to 50% of their contracted load. Requested to revive the LT III B category or increase the limit up to 200 – 250HP for LT III Industry category.
2. to reduce the tariff rate difference between the 33 KV and 132 KV, as it is exorbitantly high at 43 paise where as the difference in the cost to supply is only 13 paise.

Marketing(FAC)</p> <p>Representation with regard to non insisting bank guarantee for renewal of market license under Telangana Agriculture (Produce &amp; Livestock) Markets Rules, 1969</p>

Vide G.O. M.S No. 58, issued by Agriculture and Cooperation (MKTG-2) department dated: 27.12.2017 amending Telangana (Agricultural Produce & Livestock) Markets Rules, 1969 under Rule 48 as per which the applicant for Trade license or its renewal shall furnish a bank guarantee by way of security.

Renewal of market license linked to huge amount of bank guarantee will cause hardship to the traders hence we suggest the Government to exempt furnishing of bank guarantee to traders who have paid the Market Cess regularly.

**In this context we requested that a proviso may be incorporated in the Rule 48 as below:**

“Provided that Bank Guarantee need not be furnished by traders who are regular in payment of Market Cess without any default as certified by the concerned Market Committee”.

## **INDEPENDENT AUDITORS' REPORT**

To The Members of  
**Federation of Telangana & Andhra Pradesh Chamber of Commerce and Industry**  
*(Formerly Federation of AP Chamber of Commerce and Industry)*

### **1. Report on the Financial Statements**

We have audited the accompanying financial statements of Federation of Telangana & Andhra Pradesh Chamber of Commerce and Industry (Formerly Federation of AP Chamber of Commerce and Industry) ("the Federation"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Income and Expenditure and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### **2. Management's Responsibility for the Financial Statements and for Internal Financial Controls over Financial Reporting**

The Federation's Managing Committee is responsible for the matters stated in Section 134(5) of the Companies Act, 2013("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Federation in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Federation and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Federation's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Federation considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Federation's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **3. Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit and to express an opinion on the Federation's internal financial controls over financial reporting based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting. Those Standards and the Guidance

Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement and whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the amounts, the disclosures in the financial statements and adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Federation's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Federation's Members of Managing Committee, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Federation's financial statements and on the internal financial controls system over financial reporting.

#### **4. Meaning of Internal Financial Controls Over Financial Reporting**

Federation's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Federation's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Federation; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Federation are being made only in accordance with authorisations of management of the Federation; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Federation's assets that could have a material effect on the financial statements.

#### **5. Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **6. Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Federation as at 31st March, 2018, and its excess of Income over Expenditure and its cash flows for the year ended on that date.

#### **7. Report on Other Legal and Regulatory Requirements**

7.1. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Federation so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Income and Expenditure and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 except for subscription from members in arrears and Leave Encashment which are accounted on cash basis.
- (e) In our opinion considering nature of activity, size of operation and organisational structure of the entity, the Federation has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Federation considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Federation does not have any pending litigations which would impact its financial position.
  - ii. The Federation did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

7.2. The Companies (Auditor's Report) Order, 2016 ("the order") issued by the Central Government in terms of Section 143(11) of the Act shall not apply to the Federation as per exemption provided under clause 2(iii) of the order, hence separate statement on matters referred in para 3 of the order is not furnished.

**THE FEDERATION OF TELANGANA & ANDHRA PRADESH CHAMBERS OF  
COMMERCE AND INDUSTRY**

**(Formerly The Federation of Andhra Pradesh Chambers of Commerce and Industry)**

(Registered under Section 25 of the Companies Act, 1956)

**NOTE 17**

**A) SIGNIFICANT ACCOUNTING POLICIES**

1) **Method of Accounting:** The financial statements have been prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India, the Accounting Standards as prescribed under Section 133 of The Companies Act, 2013 read with Rule 7 of (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 and are based on the historical cost convention on accrual basis.

2) **Use of Estimates:** The preparation of the financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenditure during the period.

Although the estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision in the estimates is recognized prospectively in the year in which it arise.

3) **Fixed Assets:** Fixed Assets are stated at Cost of Acquisition or Construction less depreciation. Depreciation on Fixed Assets is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. The cost of Fixed Assets not ready for use is disclosed under Capital Work in Progress.

4) **Employee Benefits:**

a. **Group Gratuity:** The Federation contributes to a Group Gratuity Policy with the Life Insurance Corporation of India for future payments of retirement gratuity to eligible employees other than consultants.

b. **EDLI:** The Federation contributes to an Employee Deposit Linked Insurance Scheme (EDLI) with the Life Insurance Corporation of India.

c. **Provident Fund and ESI:** The Federation contributes to Provident Fund and ESI at prescribed rates.

d. **Leave Encashment:** Leave encashment is recognized on Payment.

The above are charged to Statement of Income and Expenditure.

5) **Revenue Recognition:**

a. **Membership Subscription:** Membership subscription is accounted on cash basis except for advance subscription received for ensuing years which is shown under other current liabilities as subscription received in advance.

b. **Interest Income:** Interest Income is recognized on time proportion basis taking into account the accrued amount certified by the bank.

c. **Recognition of Sponsorships:** Sponsorships for Seminars and Conferences from the Corporates/Donors is recognized, where there is reasonable assurance that the Federation will comply with the conditions attached to them and where such benefits have been earned by the Federation and it is reasonably certain that ultimate collection of the sponsorship will be made.

6) **Earnings per share:** Earnings per share is not applicable as there are no shares issued by the Federation.

7) **Provisions and Contingent Liabilities:** A provision is recognized when the Federation has a present obligation as a result of past events i.e. it is probable that an outflow of resources will be required to settle the obligation in respect to which a reliable estimate can be made. Provisions are not discounted to its present value and are

determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. A contingent liability is a potential liability that may occur, depending on an outcome of an uncertain future event. A contingent liability is recorded in the accounting records if the contingency is probable and the amount of the liability can be reasonably estimated. If both of these conditions are not met, the liability may be disclosed in the notes on Financial Statements.

- 8) **Taxes:** Provision for current taxes has been made on taxable income arising on service activity. Provision for deferred tax has not been made as there is no variation between reported and taxable profit on account of timing difference due to income tax exemption available on other income.

- 4) **Accounting Standards** to the extent applicable and relevant with reference to the transactions undertaken requiring disclosures have been considered.
