About FTCCI

The Federation of Telangana Chambers of Commerce and Industry achieved a significant milestone of completing 100 years of its formation and celebrated Centenary Year in 2017 in the august presence of Sri Pranab Mukherjee, Hon'ble President of India and Sri ESL Narasimhan, Hon'ble Governor of Telangana & Andhra Pradesh.

Established in 1917, this Federation was first conceived as a Chamber of Commerce representing the entire old state of Hyderabad. This included parts of the present Karnataka, Maharashtra as well as all the Telugu-speaking Districts of the old Nizam's dominions. The year 1956 saw the formation of the Linguistic State, Andhra Pradesh, and the name was changed to 'The Federation of Andhra Pradesh Chambers of Commerce and Industry' in 1958. It started functioning with representation from the entire state. The Federation gradually evolved into an apex organisation representing large, medium and small scale industries and became one of the largest chambers in the Country.

After the bifurcation of the erstwhile Andhra Pradesh into two States viz, Telangana and Andhra Pradesh in 2014, the name was altered to "The Federation of Telangana and Andhra Pradesh Chambers of Commerce and Industry (FTAPCCI)", effective from January 14, 2015.

Subsequently, the name was changed to the "**Federation of Telangana Chambers of Commerce and Industry**" effect from April 2, 2019 to play more active role in the Economic Development of the Telangana State.
