Sub: Request to address the MSME members of FTCCI

Hon'ble Minister,

At the outset we take this opportunity to thank the Telangana state government in taking timely and vigorous measures to control the impact of pandemic Covid-19. With the recent decision of lockdown being extended till May 7, 2020, we are confident that the state will rapidly come out safe and secure.

During this time of crisis, Federation of Telangana Chambers of Commerce and Industries (FTCCI) also took a very proactive role in time to time dissemination of information pertaining to GOs and guidelines issued by the Central and State Ministry, holding sector based webinars for members for getting further clarity, publishing FTCCI E magazine and making government representations on various challenges faced by the Industry members.

Sir, it's our humble request to you, to address the MSME members of the FTCCI at a day and time convenient to you. Your encouraging words and positive attitude will help alleviate the fears of MSMEs of losing business & market as some of the States have given relaxation to operate. Your address to the members, not just FTCCI members but all the Small and Medium enterprises in the State, will help reinforce the confidence in them, thus helping them to resume their operations with renewed energy and optimism. It is extremely important and will have significant impact at this hour of predicament.

The duration of the video conference can be between 30 to 45 minutes, depending on your suitability.

We look forward to receiving your confirmation at the earliest.

Thanking you,
Yours sincerely

Karunendra S. Jasti
