PRESIDENT *Message*

Dear FTCClates,

It gives me great pleasure to present the 104 Annual Report of the Federation along with Annual Accounts and the Auditor's Report for the year 2020-2021.

It is my privilege to head this 104 year old prestigious organization and my three year tenure as Office Bearer was a rich learning experience for me. As the voice of industry, trade and commerce, the Federation has been actively participating in improving the business environment in the State of Telangana ever since it was formed in 2014 after bifurcation from erstwhile Andhra Pradesh.

We are extremely proud that despite the youngest State in the country, which came into existence just seven years ago, Telangana is giving all the major and more mature States a run for their money. Telangana state's outstanding march on various fronts is visible from its rankings – third in ease of doing business (EoDB), fourth in NITI Aayog's India Innovation Index, 6th in NITI Aayog's SDG India Index 2020-21 (Sustainable Development Goals) etc.

I place on record my appreciation for the generosity shown by the members and Secretariat staff to help those affected by heavy rains in Hyderabad and am proud that FTCCI has donated total of Rs 25lakh, including half-day-salary of the staff to the CM Relief Fund, Telangana State. I sincerely express my gratitude to all the donors for their kindness.

The Covid-19 crisis made a big blow on India's GDP growth rate prospects that is already on a declining trend. The full impact of the pandemic triggered national lockdown was reflected in worst contraction in GDP by 23.9% on a yearly basis in the first quarter (April-June 2020) of the financial year '21 that was latter revised to 24.4% because of shutting of factories & businesses during lockdown, prohibition on travel, and restriction on mobility of goods and people that has resulted in domestic supply and demand disruptions. Second quarter of the year also contracted by 8% (revised from 7.4%) and the contraction for two consecutive quarters put Indian economy technically under RECESSION

The third quarter (October-December) of 2020-'21 registered positive growth of 0.4% giving optimism that the economy will register a 'V' shaped recovery. The fourth quarter continued marginal positive growth of 1.6% but the growth rate for the entire financial year of 2020-2021 contracted by

7.3%.

The hopes of registering a 'V' shaped growth are dimmed due to second wave of Covid-19 pandemic that left the people shattered and lost. The first quarter of FY 2021-22 is largely gone under lockdown and various restrictions across the country that impacts the growth rate adversely.

While we were estimating pain to the economy, the market was doing something else, it subtly began its climb to doubling in less than a year. Truly, it was technically decoupled. This puzzled many, but a number of analysts are seeing the decoupling as one of the first signs of the world exploring a Plan B to China. The result is a greater interest among global companies to prospect Indian companies for products supply and probable collaborations. Now this could be compelling. The market enthusiasm can also be gauged from the amount of capital raised through IPOs in the year 2020-21 - Rs 31,277 crore through Initial Public Offer (IPO) and Rs.15,029 through Follow-on Public Offer (FPO) (including SME) were mopped in 2020-21. Among the few positives in the Indian economy is also the high foreign exchange reserve. India's foreign exchange reserve stood at \$585.334 billion in the week ended January 21

Traders, commercial establishments, hospitality sectors viz, tourism, hotels, travel service providers (air and rail) are facing unprecedented crisis due to continued health risk and restrictions. Governments, both central and state, need to extend support to these sectors for faster recovery of the economy.

The world as we know it has changed and with it has emerged a new perspective to face challenges by constantly evolving and pre-empting the changing need of the consumers and businesses, by developing the vaccination. Bharat Bio-Tech of Hyderabad developed indigenous vaccine and we are proud that Hyderabad has become hub of vaccination producers.

Federation welcomes the Union Budget announcement of sum of over Rs 3 lakh crore for Discoms and tying funds to improvements. It sent out a clear message that funds can be availed on successful outcomes only, consistent with proposed model to provide choice of supplier in electricity distribution. We also welcome the government

of India's announcement to indigenize production of 108 items required for Defence sector to give a boost to 'Make in India' and 'Go Local' policies. The political uncertainty between China and India opens up doors for manufacturing of many products that are largely imported from China.

I must emphasize that digitalization will play a big role in reshaping retail and MSMEs in the economy. By using aggregator apps, hyper-local vendors like our neighborhood kiranas and vegetable vendors are now able to provide door-to-door services either via contactless payments or on an aggregate payment model. The government of Telangana has launched an online portal called 'kiranalink.in' to help all kirana stores in the State to become digitized free of cost and offer their services to community through online payments and home deliveries. The trading community can mitigate the losses due to lockdowns or other restrictions by going digital.

It is heartening to note that despite the Covid-19 pandemic affecting most part of the year 2020-21, IT exports from Telangana scaled a new high of over Rs 1.45 lakh crore in 2020-21 against Rs 1.28 lakh crore the previous year, registering phenomenal 13 per cent growth. The state has achieved a remarkable progress in IT sector since formation achieving Compound Average Growth Rate (CAGR) of 14.25 per cent, up from Rs 57,000 crore in 2014 to Rs 1.45 lakh crore in 2021 and adding over three lakh new IT/ITeS jobs over the last seven years.

While commending the efforts of state government in bringing large multinational companies to set up their facilities in Hyderabad, we request the government to encourage manufacturing sector too and release the long pending sanctioned incentives and support MSMEs in these difficult times.

FTCCI Initiatives:

FTCCI FOUNDATION:

I am happy to inform the members that FTCCI has promoted a Company "FTCCI FOUNDATION" under Section 8 of the Companies Act, 2013 to undertake Corporate Social Responsibility activities on behalf of its members. The company's objective is to eradicate hunger, poverty, promoting education, gender equality, empowering women, setting up homes and hostels for women and orphans, ensuring environmental sustainability, etc.

I am quite hopeful that with our resolve to work together, we would tackle this unprecedented crisis by lending a helping hand efficiently. In this connection, I request the members to come forward to contribute towards CSR related activity or service.

FTCCI CEO FORUM:

I would like to inform the members that the FTCCI CEO forum was registered as a Trust under the Indian Trusts Act, 1882, on 7th January 2021.

FTCCI CEO Forum will identify potential topics for

discussion by organizing get-togethers with Government officials, Foreign Ambassadors, etc. I request the Members to join the CEO Forum and reap the benefit of interactive meetings.

FTCCI Land

FTCCI holds 2000 sq yards of land in the vicinity of Lotus Pond in Road No.12, Jubilee Hills, Hyderabad locked up in litigation by Jubilee Hills Cooperative Society. Since the litigation may extend for longer time, we had requested the Revenue Authorities like Chief Commissioner Land Administration and District Collector, Hyderabad for allotment of alternate land. The administration responded positively and consented for the same, in principle.

FTCCI submitted representations to Sri K.T. Rama Rao, the Honourable Minister for Municipal and Urban Development, Chief Commissioner of Land Administration and District Collector, Hyderabad, requesting for expediting allotment of land which is free from litigations. Identification of proper land is under process.

ISO CERTIFICATION

Quality is the essence and bench mark for any service. FTCCI being a service organization has been extending the quality service to all its members for the past 104 years. With a view to test check the quality and work upon improvement, it is decided to get the ISO certification done. The certification is under process and will be completed soon.

Efforts of FTCCI (Representations):

The Federation has made serious efforts to mitigate the challenges faced by the industry and trade due to lockdowns and restrictions imposed during first and second phases of pandemic. It has submitted number of representations to Union Ministries, RBI, GST Council, CBDT, and to Ministers and Officials of State Government. We are continuously pursuing with the officials, on behalf of our members, and in the interest of trade and industry in general, to resolve the challenges faced by them during these trying times. Here I would like to mention few efforts and various representations submitted:

Representations to Union Government

- ▶ Smt. Nirmala Sitharaman, Hon'ble Finance Minister & Chairperson GST Council, Ministry of Finance Govt. of India –to extend the exemptions, last date of various filings under GST, Income Tax, Tax Audit reports, extension of financial schemes like ECLGS and increase the credit limit etc
- ▶ Copies of the representations were also submitted to Shri Anurag Singh Thakur, Minister of State for Finance, Shri Rajesh Verma, IAS, Secretary, Ministry of Corporate Affairs, Govt. of India, Sri Josekutty V.E. ICLS, Registrar of Companies, Sri M.P. Shah, Regional Director, South East Region, Hyderabad
- ▶ Sri Shaktikanta Das, Governor, Reserve Bank of India

(RBI): on various issues such as extension of restructuring of loans, relaxations in NPA norms, not to charge foreclosure charges by NBFCs in case of closure of loans, announcing modalities for bearing interest on interest by Government in lieu of Supreme Court judgment, to direct the banks not to charge commitment charges up to 31.03.2022 due to non-availment /underutilization of working capital limits etc.

- ▶ Directorate General of Foreign Trade: to release incentives under Merchandise Exports from India Scheme (MEIS) for the year 2020-2021

Representations to State Government:

- ▶ The Federation was continuously following up with State machinery to mitigate the hardships of industry and trade and we are very happy that the government machinery, specially Sri Jayesh Ranjan, Principal Secretary, Industries and Commerce, Commissioner of Police of all three Commissionerates, Sri V. P. Sajjanar, (Cyberabad), Sri Mahesh Bhagwat (Rachakonda), and Sri Anjani Kumar (Hyderabad) have extended their complete support to industry in the movement of employees, workers and goods and immediately resolved any difficulty faced during the lockdown. We are ever grateful to them and request for their continued support in future.
 - ▶ Sri K. Chandrashekar Rao, Hon'ble Chief Minister, Government of Telangana: to allow registration of documents like and General Power of Attorney (GPA); Special Power of Attorney (SPA) Mortgage Deeds, Memorandum for Deposit of Title Deed (MOTD); Rental deeds, which are not concerned with property transactions; registration of documents concerning non-agricultural properties can be accepted as pending registration; till DHARANI is introduced and to reduce Stamp Duty etc
 - ▶ Sri K. T. Rama Rao, Hon'ble Minister of Industries and Commerce, MA & UD, IT E & C, government of Telangana, to mitigate the financial crunch faced by industries by releasing sanctioned incentives, to increase budget allocation for industrial promotion, to resolve issues that are faced by industries like infrastructure bottlenecks etc
 - ▶ Sri T. Harish Rao, Hon'ble Finance Minister, Government of Telangana: to announce an Amnesty Scheme for erstwhile VAT and other related laws, similar to one announced by Central Government in Subka Viswas Legacy Dispute Resolution Scheme – 2020 both under Direct Taxes and Indirect Tax Laws.
- Sri. Etela Rajender, Hon'ble Minister, Health Medical and Family Welfare Department, Govt. of Telangana: to facilitate vaccination services to its members, their families, and staff
- ▶ Sri Jayesh Ranjan, IAS, Principal Secretary, Industries and Commerce: on release of sanctioned incentives,

issues faced by industries, lockdown guidelines, restoration of oxygen supply for industrial use that was stopped due to medical emergency etc.

Representations were also submitted to Sri Somesh Kumar, IAS, Chief Secretary; Sri Sandeep Kumar Sultania, IAS, Secretary I/c, Dept of Energy; Sri Arvind Kumar, IAS, Principal Secretary, MA & UD; Sri Ahmed Nadeem, I.A.S, Commissioner, Dept of Labour, Employment Training and Factories; Chief Justice of High Court of Telangana; Sri Syed Ali Murtuza Rizvi, IAS., The Secretary, Health Medical and Family Welfare Department

FTCCI, along with Deloitte prepared a report on how to access cheaper power by industry – advantages of Open Access and submitted the report to Sri Prabhakar Rao, CMD, TS Transco and TS Genco, Sri Sriranga Rao, Chairman, and Members & officials of TSERC.

I reiterate that FTCCI will continue its efforts in improving the business environment in the state and also to protect the interests of its members.

FTCCI jointly with FICCI organized interactive meetings with Commissioners of Police of Rachakonda, Cyberabad and Hyderabad and brought to their notice the difficulties faced by industry due to imposition of restrictions during lockdown time. The meetings were a huge success and we are proud that FTCCI has established friendly relation with all three Police Commissionerates.

The Federation also had meetings with Consulate General of Islamic Republic of Iran His Excellency Mr. Mohammad Hossein Bani Asadi on 11th January 2021 and Consulate General of Islamic Republic of Afghanistan, Mr. Muhammad Suleman Kakar, on 23rd March 2021 and explored the possibilities of trade and investment opportunities with the respective countries. They have extended invitation to bring Business Delegation for furthering business opportunities between the countries

The Federation proactively organized number of skill development programs for the benefit of industry and despite adverse conditions due to Covid-19 the programs received good response and appreciation. Few of the programs are:

- ▶ FTCCI Mentorship Series 1: For Women Entrepreneurs, Startups and MSMEs : July 12, 18, 25 & 27, 2020

- ▶ Online Training Program on “Good Food Laboratory Practices (GFLP)”: 19th March, 2021

Federation switched to online mode of conducting seminars i.e. webinars on various subjects to disseminate the information to all our members and to appraise the government of various difficulties faced by industry for their intervention to solve the problems.

We, at Federation, firmly believe that the growth and prosperity of its members is ultimately our growth and our mission fulfilled. I am very happy to note that the interaction between the Federation and the Government has increased manifolds and wish that this will be further strengthened in the years to come.

I would like to thank the Print and Electronic Media for their continuous and positive coverage of the activities and the efforts taken by the Federation towards betterment of trade and industry in the States.

I would like to place on record my sincere thanks for the support received from the Past-Presidents, Managing Committee Members, Chairmen/Co-Chairmen of various sub-committees, members of the committees, and secretariat staff.

As I demit my office, I pass on the baton to Mr. K. Bhasker Reddy, Senior Vice President, who will assume the charge as President after the AGM and carry on the Mission of the federation.

I put in my best efforts to fulfill the objectives, and Mission and Vision of the Federation in my tenure as the Office Bearer in the last three years. Having done my best I lay down my office with lots of satisfaction.

**PROCEEDINGS OF THE 103rd ANNUAL GENERAL MEETING OF THE FEDERATION
HELD ON JULY 25, 2020 AT FTCCI SURANA AUDITORIUM, FEDERATION HOUSE**

As the Quorum was present, Smt. P. Vydehi, Secretary (I/c), invited the President, Sri Karunendra S. Jasti, and the Sr. Vice President Sri Ramakanth Inani to the 103rd Annual General meeting of the FTCCI. Due to unavoidable circumstances, the Vice-President Sri K. Bhaskar Reddy could not attend the meeting in person and participated through on-line.

Secretary (I/c) has requested the President to preside over the meeting. The President welcomed all the members to the 103rd Annual General Meeting of FTCCI.

Before taking up the Agenda, the President informed the Members about the demise of three great personalities of the Federation who served as Presidents of FTCCI viz., Sri B G Sastry, Sri Suraj Prasad Agarwal and Sri D. Seetharamaiah, recently at Hyderabad. The Members observed a two minutes silence in memory of those three Senior Past-Presidents of FTCCI.

Thereafter, the President took up the Agenda items for discussion.

Sri Karunendra S Jasti said that it is the privilege for him to present the 103rd Annual Report of the Federation along with the Annual Accounts and the Auditors' Report for the year 2019-20.

He said that he was truly honored to head this 103 year old prestigious organization and has been an enriching year for him in many aspects. As the voice of Industry and Business in the erstwhile State of Andhra Pradesh and now the State of Telangana, since 1917, the Federation always strived to promote sustainable business across the region. He made his best efforts to fulfill the objectives and Mission and Vision of the Federation in his tenure as the office bearer in the last three years and as a M.C. Member for about a decade. He thanked the members who rose to the occasion to help the people in need by contributing Rs. 42.3 lakhs to the CM Relief fund towards to fight against COVID 19 and expressed his gratitude to all the donors for their generosity and kindness. He appreciated the employees of FTCCI for the contribution of their 'One Day Salary' to the CM Relief Fund.

President informed that during the current COVID 19 situation, Federation is working relentlessly to bring the hardships faced by the industry to the notice of the government through submitting various representations to the Ministers of Central and State Governments and pursuing the same with the officials to look into the hurdles faced by Industries and business establishments. He briefed the representations submitted on various issues to the Central and State Governments. He said the FTCCI will continue its efforts till the industry is able to operate with ease.

Taking into consideration the social distancing norms issued by the Governments, Federation switched to online mode of conducting seminars i.e. webinars on various subjects to disseminate the information to all our members and to appraise the government of various difficulties faced by industry for their intervention to solve the problems. He said that the Federation firmly believes that the growth and prosperity of its members is ultimately our growth and our mission is fulfilled. During the year, the interaction between the Federation and the Government has increased manifolds and wished that this will be further strengthened in the years to come.

President thanked the Officials of both the States and Central Governments for extending their co-operation and support to FTCCI from time to time. The President took the opportunity of thanking the Print and Electronic Media for their continuous and positive coverage of the activities and the efforts taken by the Federation towards betterment of trade and industry in the States. He also placed on record his sincere thanks for the support received from the Past-Presidents, Managing Committee Members, Chairmen/Co-Chairmen, Members of various Expert Committees, and the Secretariat of FTCCI.

As he demitted his office, he passed on the baton to Mr Ramakanth Inani, Senior Vice President, who will assume the charge as President and carry on the Mission of the Federation.

After his initial address, the following agenda was taken up for discussion:

1. Adoption of Annual Report and Audited Statement of Accounts:

The President stated that the Annual Report and the Audited Statement of Accounts of the Federation for the year 2019-20 have been already circulated to the Members. He proposed a motion to adopt the same.

Referring to Page 23 of the Annual Report, Sri A. Srinivas, Member suggested to give complete proceedings of the Annual General Meeting, instead of brief proceedings consists of elections of Office Bearers and Members of the Managing Committee. He suggested that in the Managing Committee's Report must provide a note on the FTCCI plans to fight against COVID 19 as per the circular issued by the Ministry of Corporate Affairs.

Sri. Srinivas observed that as a promoter of FAPCCI, FTCCI has decided to transfer Rs. 5 crores to FAPCCI and there is no mention of plan to transfer of funds to FAPCCI for consideration of the Members, because the source of income is only the interest on deposits. Further, no funds can be transferred from the corpus funds of FTCCI. The President replied that the Managing Committee, after detailed discussions on the issue, decided to transfer of funds to FAPCCI amounting to Rs. 5 crores in 8 installments spreading over to six years.

Sri A. Srinivas said that as per Company Law, mere passing Resolutions by Managing Committee is not enough and need to be placed before the Members at AGM or EGM for their approval and pass the resolutions. He suggested to reevaluate the total Assets and place the same for consideration of the Members by calling for Extraordinary General Meeting.. He also opined that FTCCI can transfer the funds only to the extent of surplus generated during year and not from the corpus fund.

After detailed discussion on the Accounts, the august house passed the following Resolution unanimously after duly proposed by Sri A.Srinivas and seconded by Sri Valmiki Harikishan.

“Resolved that the Annual Report and Audited Accounts, together with the Auditor's Report, for the year ended March 31, 2020, be and are hereby received and adopted by the Members of the Federation.”

2. Announcement of appointment of the President and Senior Vice-President:

(i) Sri Karunendra S Jasti, President, declared Sri Ramakanth Inani and Sri K Bhaskar Reddy as President and Senior Vice-President, respectively, for the year 2020–21, as per Articles 28(1)(b) and 15(5) of the Articles of Association of the Federation, respectively.

(ii) Sri Karunendra S Jasti handed over the charge of the Presidentship to Sri Ramakanth Inani and Sri Ramakanth Inani handed over the charge of Senior Vice Presidentship to Sri K Bhaskar Reddy.

(iii) Upon election as President of FTCCI, Sri Ramakanth Inani while addressing the Members of the Federation thanked Sri Karunendra S Jasti for announcing his name as President of the Federation. He also thanked the Managing Committee and all the members for the faith and confidence they have reposed in him. He shall endeavour to discharge the duties as President to the best of his ability.

(iv) Sri K Bhaskar Reddy thanked the President Sri Karunendra S Jasti for announcing his name as Senior Vice-President of the Federation and also thanked all the Members of the Managing Committee, Past Presidents and all the Members of the Federation for the confidence they have reposed in him.

Interactive Meeting on Action Plan and Vision for Telangana with focus on Agro and Food Processing Sector - 18th September, 2020

Mr Ramankanth Inani, President, FTCCI had delivered the welcome address by highlighting the growth rate of the Agriculture sector and appreciated the irrigation projects and agriculture policy implemented by Govt. of Telangana. He raised queries regarding the comprehensive action plan to promote the food processing industry, promote growing import substitute commodities like soya beans and palm oil, and the draft on food Processing policy.

Mr B. Vinod Kumar, Ex M.P., Hon'ble Vice Chairman, Telangana State Planning Board, said that the Agri export is the sunrise sector, and there is a great scope to lead in this sector.

He mentioned that a sub-committee on Agri was constituted by the State Govt. Headed by Hon'ble Minister Sri K.T.Rama Rao and informed that soon a report would be submitted, which includes the steps to improve the food processing industry.

Dr. E. Muralidarshan, Former Faculty, Indian Institute of Foreign Trade, discussed a few aspects such as India's diverse Agro-climatic conditions, employment in the food industry, FDI flow in the food industry. He opined that despite having many advantages in agriculture production, there is no synergy between Academia and Industry in India. Sector Specific issues need to be disseminated to the export community. He suggested that ISO Standards need to be maintained.

Mr K. Bhasker Reddy, Senior Vice President, Mr Anil Agarwal, Vice President, FTCCI also participated in the meeting.

Awareness programme on "Farm Bills are for farmers' and traders' freedom of choice of sale and purchase and provide barrier-free trade- DMI, RO Hyderabad - 28th September, 2020

Mr Ramankanth Inani, President, FTCCI, addressed the participants and appreciated the Directorate of Marketing Inspection (DMI), Regional Office, Hyderabad, Ministry of Agriculture and Farmers Welfare for creating awareness on the Farm Bills and said that the best way forward to improve the income of the farmers is to bring in economies of scale into farming.

Mr T Shanmukha Reddy, welcoming the dignitaries and participants, said that this awareness programme would help us understand the impact of bills on farmers individually and collectively as a farming community.

Dr Anil Kumar, Deputy Agriculture Marketing Adviser, Directorate of Marketing Inspection (DMI), RO, Hyderabad Ministry of Agriculture and Farmers Welfare, has explained The Farmers Produce Trade and Commerce (Promotion and Facilitation) Bill, 2020. The Bill will prevail over state APMC Acts. He also explained the various aspects of the Bill, such as Farmer's Produce, Trade area and other provisions of the Bill in detail. He explained that the Farmers (Empowerment and Protection) Agreement of Price Assurance and Farm Services Bill, 2020, the Farmers Agreement Ordinance creates a framework for contract farming through an agreement between a farmer and a buyer prior to the production or rearing of any farm produce. It provides for a three-level dispute settlement mechanism: the conciliation board, Sub-Divisional Magistrate and Appellate Authority. It will transfer the risk of market unpredictability from the farmer to the sponsor, reduce the cost of marketing, and improve farmers' income. He also explained the other aspects of the Bill, such as penalty, quality monitoring, prices fixation, and guidelines for model farming agreements in detail. Later, the session was followed by Q & A and ended with Vote of thanks.

Virtual B2B Meet for Promotion & Revival of Teas of North East – Focus Andhra Pradesh & Telangana – organized in collaboration with the Indian Chamber of Commerce (ICC) – 25th November, 2020

Mr Ramakanth Inani, President, FTCCI said that this B2B meet was aimed to create the opportunity for tea buyers of Telangana and Andhra Pradesh States to directly network with tea sellers/ manufacturers of Assam and to provide opportunity to connect the tea grower with last mile retailer. He requested the Tea Board of India, to look into the matter of tea adulteration along with FSSAI and Producers Associations.

Mr M K Saharia, Chairman, Indian Chambers of Commerce, North East Region, spoke about tea industry and said despite being the largest black tea producer in the world, the per capita consumption of tea in India is low. He complimented the Tea Board of India for the state-wise study undertaken and the focus on activities to increase per capita consumption in states with low consumption.

Mr Prabhat Bezbarua, Chairman, Tea Board of India spoke about creating new national and international markets for tea from Northeast. He suggested for a bottom up approach by improving the quality of tea by the producers, marketers and blenders so that they can fetch a good price. MrBezbarua urged the Tea Auction Centers to improve their efficiency so that there is no erratic price fluctuation in the tea price which is very crucial for the industry.

Mr PK Sahoo, Deputy Chairman & CEO, Tea Board of India, said the cost of production of tea has gone up whereas the price has been more or less flat over the years. While states like Gujarat, Maharashtra and Goa prefer good quality tea, states like Odisha, Bihar, Telangana and Andhra Pradesh have consumption of low-quality tea.

Dr. GBK Rao, Chairman, Food Committee, Indian Chamber of Commerce, Southern Region, has highlighted that quality blending need to be done in order to improve the quality of tea. He also highlighted the characteristics of two states and encouraged the sellers and manufactures to utilize the service available and invest in Telangana and Andhra Pradesh.

Mr Giridhara Rao, Joint Director of Industries department, Government of Andhra Pradesh, welcomed the tea sellers from Northeast to tie up with the NGOs in Andhra Pradesh to promote packaging and branding of Assam Tea.

Conference on Pulses: Opportunities and Way Forward on the occasion of World Pulses Day - 10th February, 2021

Mr Ramakanth Inani, President, FTCCI said Pulses are the main sources of proteins to population who are vegetarians. Telangana State has the lowest vegetarian population in country (only 1.5%), which needs to get increased for more usage of Pulses. In earlier VAT regime, the neighboring states i.e., Karnataka & Maharashtra, food grains were exempted from taxes, due to which the dall mills industry moved away from undivided AP.

Mr Singireddy Niranjan Reddy, Hon'ble Minister of Agriculture and Cooperation, Govt. of Telangana mentioned that the theme for World Pulses Day this year was 'Nutritious Seeds for a Sustainable Future' and listed about the 17 sustainable development goals of UN. He suggested FTCCI to prepare a report on how to improve pulses cultivation and consumption and to give policy recommendations.

Mr Y K Rao, Chief General Manager, NABARD – Telangana state said that NABARD is promoting Farmer Producer Organizations and also promoting from tricolor side for setting up of mini dall mills in tribal areas. He assured to suggest SLBC to increase crop lending finance and also to increase scale of finance i.e. amount of finance required to grow pulses in one acre of land.

Mr Sunil Reddy, Chair of the Committee said though Telangana state is getting 65% of its Gross State Domestic Product from Services Sector, 56% of population is still engaged in Agri sector. The Commission for Agricultural Costs and Prices (CACP) wanted the government to include pulses in the public distribution system (PDS) and other welfare schemes. This was believed to help small farmers and encourage them to diversify the cultivation from paddy to pulses.

Mr Akhil Kumar Gawar, Advisor, Agro Food processing & Rural Development Committee & Director, Telangana State Food Processing Society moderated the panel discussion on Pulses: Opportunities and Way Forward.

The panelists were Mr Bala Reddy, Founder and CEO, Our Food Private Limited, Dr. G.V. Ramanjaneyulu, Executive Director, Centre for Sustainable Agriculture (CSA), Mr Ajay Zadoo, General Manager, Central Warehouse Corporation – Hyderabad, Mr Nitin Kalantri, CEO, Kalantry Food Products, Latur & Director, Latur Dall Mill Association, Dr. G.B.K. Rao, Chairman & Managing Director, Pragati Green Meadows and Resorts Ltd, and Mr Thummala Reddy Shanmukha, Co-Chair of the Committee.

Online Training Program on “Good Food Laboratory Practices (GFLP)” -19th March, 2021

Welcoming the gathering, Mr Ramakanth Inani, President, FTCCI said the training program was intended to provide guidelines for food labs and show how they are different due to the nature of the products and testing involved. He mentioned that Good Laboratory Practice (GLPs) need to be in place to ensure sample integrity and method validity. They are standards that keep the lab running and ensure an event will be handled in a way that is defensible, standardized, and controlled.

Mr D. Sunil Reddy, Chair of the Committee opined that GLP process is an important component of all Quality Programs viz. planned, performed, monitored, reported, archived and maintaining the laboratory compliance. Food companies must stay abreast of new advances in laboratory quality assurance and technology and invest in the development of testing programs and policies that will ensure the safety and wholesomeness of the products they manufacture.

Experts from Vimta Labs Limited - Mr Jagadeesh Kodali, Mr Shripad Joshi, Dr. Muni Prasad addressed the participants and provided an overview of Good Food Laboratory Practices; Design, Accommodation & Environment in a Food Testing Laboratory; Compliance of ISO: 17025 in Food Testing Labs; Test method verification & validation and Testing of Quality and Safety Parameters in Food Samples as per FSSAI.

Webinar on "Green Market – Achievements and Way Forward" - 17th December, 2020

Sri Ramakanth Inani, President, FTCCI, informed that the Green Term Ahead Market (GTAM) initiative in electricity would provide consumers with a sustainable choice and help the government achieve its renewable energy goal and enable procurement in a flexible and efficient way.

Sri Sushil Sancheti, Chairman of the Committee, FTCCI, said that Energy is crucial for any manufacturing industry and said that Green Energy is the new development that allows buying or selling green and sustainable Energy on IEX.

Sri Nitin Sabikhi, Vice President-Business Development, IEX, appreciated FTCCI efforts to organise the event, briefly focusing on the green energy market. He explained the different market segments in the IEX platform, such as Day a Head Market, Intraday market & day ahead contingency, term ahead contracts, renewable energy certificates, energy saving certificates, real-time market and the Green Term Ahead Market (GTAM). He mentioned that the GTAM would help build a sustainable energy economy in the country, as India sees a rapid transformation of the energy ecosystem. He concluded by saying that more competitive and innovative contracts in power need to be allowed in terms of market deepening, and also, there should be a uniform regulatory and policy framework across the State that would augment the energy exchange.

The Question & Answer Session was moderated by Sri Uppuluri Srinivasa Venu, Co-Chairman of the Committee. He said that the market has opened up with greater visibility in recent times on the trading platform. Going forward, the exchange would become more user-friendly. He also said that Telangana state would progress ahead in the energy space. The State had recently announced the e-mobility policy that would help the renewable energy growth.

At the end of the Course, an exam was conducted, and certificates were distributed to the participants.

Webinar on e-Invoicing under GST - 15th December, 2020

Sri Ramkanth Inani, President, FTCCI, said that the first phase of e-invoicing was implemented from 1st October 2020 for taxpayers with an aggregate turnover exceeding Rs.500 crore. From 1st January 2021, e-invoicing would be extended to businesses with an aggregated turnover exceeding Rs.100 crore. The Government plans to bring all businesses under the scope of e-invoicing from 1st April 2021. The objective of this webinar is to create awareness for upcoming dealers and existing dealers to clarify their doubts.

Sri Ritesh Mittal, Chair of the Committee, said that this webinar was a part of endeavours to educate the Trade and Industry regarding changes in GST Act and Rules and represent the issues to the Government for Redressal. CA Mohd. Irshad Ahmed, Co-Chair of the Committee, FTCCI, introduced Sri Ravi Kiran.

Sri Ravi Kiran IRS, Vice President, GSTN, New Delhi, said that invoice is the primary document both for taxation purpose and evidence of the transaction between two parties. e-Invoicing will transform not only the taxation department but also the delivery method of the invoice may significantly change. He also spoke about the recent book written by CMA Mallikarjuna Gupta. He has explained the factual and procedural aspects of e-invoicing. He explained the rationale for introducing e-invoicing and said that the e-invoicing system is aimed at filling the gap in MSME Financing. Since most MSME credit is asset-based, they are facing problem due to the absence of ready credit. RBI sets up the TReDS platform for MSMEs to trade their invoices, the financier will finance against the invoice, and the supplier gets ready finance in his bank account.

CMA Mallikarjuna Gupta explained the integrated approach to e-Invoicing, e-Waybill and GST Compliance, its impact on business processes. He also clarified the issues raised by the participants.

Online Interactive Meeting on Quarterly Return Filing and Monthly Payment of Taxes (QRMP) Scheme under GST - 15th December, 2020

Sri. T. Muralidharan, Chairman of FICCI Telangana State Council, welcomed and thanked the Department for coming forward to interact with Industry and Trade representatives on the QRMP scheme.

Sri Ramakanth Inani, President, FTCCI, said that the changes in GST filing rules would ease the procedure. After the changes, the small taxpayer has to fill the returns quarterly instead of monthly, which saves time and more convenient.

Smt. Mallika Arya, IRS, Chief Commissioner of GST & Customs Hyderabad Zone, gave an overview of the Quarterly Return Filing and Monthly Payment of Taxes (QRMP) Scheme under GST. The QRMP scheme is aimed at the MSME sector and expected to reduce the furnishing number of GSTR-1, and GSTR-3B Returns. It is said that the QRMP will reduce the total number of GSTR-1/GSTR-3B filing from 24 to 8 or 16 to 8 if GSTR-1 is filed quarterly.

Sri Sudhir Reddy, President, Telangana Industrialists Federation (TIF) and CA Sudhir V S, Chairman, Taxation Committee of FICCI Telangana State Council, also participated and addressed at the meeting.

Meeting with Smt. Neetu Prasad, I.A.S., Commissioner of Commercial Taxes, Govt. of Telangana - 1st March, 2021 - CCT Chamber

CA Ritesh Mittal – Chair and CA Mohad. Irshad Ahmed, Co-Chair of the Committee, met Smt. Neetu Prasad, I.A.S., Commissioner of Commercial Taxes, Govt. of Telangana and discussed the issue of bare 7 days provided for reply for the SCN issued for FY 2017-18. We have represented that at least 30 days should be provided to respond/reply to the SCN. She said that the representation is Justified, but at the same time, they are at the fag-end of the Financial Year, and hence the time was restricted to 7 days. She also asked the industry to go through the detail workings along with the SCN, and in case ITC is to be reversed/Tax to be paid, Industry / Trade to comply with the same so that the litigations are kept at a minimum; also, she insisted that the reply shall be detailed with workings and appropriate supporting documents to be submitted in case the assessee feels that the demand is unjustified.

12 Day online Certificate Course on Recent Changes in GST Commenced - 6th March, 2021

Sri K. Bhasker Reddy, Senior Vice President- FTCCI, in his welcome address, said that GST Laws in India had undergone frequent changes in the last four years. Keeping pace with the changes has become a necessity from a business perspective. To facilitate Trade and Industry in their strife to cope with these changes, FTCCI is organizing an Advanced Certificate Course focusing on Recent Changes in GST covering important topics of relevance for business. IN HIS THEME ADDRESS, Sri S. Thirumalai, Advisor of the Committee, said that the Course is spread over 12 days in daily sessions of 2 hours.

This is with an aim to enable business executives and Trade and Industry Members to take advantage of the Course without too much interruption in normal operations. The Course has been specially designed to facilitate the participants to gain in-depth technical and practical knowledge in the day to day working of GST Law.

Sri Sudhir V.S., Partner, Hiregange & Associates, Chartered Accountants, gave a lucid presentation on Input Tax Credit (ITC) – Overview and recent amendments, and he clarified the number of doubts.

Webinar on How to handle GST Show Cause Notice and Way Forward - 17th March, 2021

Sri Ramakanth Inani, President, FTCCI, in his welcome address, said that the State Tax Authorities under GST have recently issued Show Cause Notices (SCN's) arising out of a comparison between GST returns filed and Annual Returns mainly for the year 2017-18 wherein the time provided for reply is a bare 7 days. This being the First Annual Return under GST for 2017-18, there was a lack of clarity on several issues relating to disclosure in the said return.

CA Ritesh Mittal, Chairman of the Committee, said that since the introduction of GST, only 3B returns were filed along with Provisional Returns due to software issues. Now the department's effort to start mapping full details of

transactions might cause many problems. The second biggest issue was that there was no provision for revising these returns whenever the systematical change occurred.

Sri S. Thirumalai, Advisor of the Committee, FTCCI, said that in Customs Act under Section 149, 154, there was a methodology to rectify the bonafide mistakes, but there is no provision in GST.

CA Satish Saraf, in his presentation, explained that the statutory provisions of Sec 73,75 of CGST ACT and Rule 142 & 121 of CGST Rules, 2017 and kinds of notices being issued by the State of Telangana. He explained the possible reasons for the issuance of notice and further explained how to prepare the reply.

CA Mahesh Jhavar also participated in the webinar.

Treating COVID-19 and Managing Health - 1st August, 2020

Mr Ramakanth Inani, President, FTCCI, praised India's fight against the COVID-19 outbreak. He also mentioned the need to ramp up measures to contain the virus and chalk out a roadmap to control the rising number of cases. He also appreciated the concrete efforts of Indian pharmaceutical companies in producing affordable, low-cost medicines and vaccines to fight against COVID-19.

Prof. Dr Nitin Kabra, MD, DM., Chief Cardiologist, Gandhi Hospital, gave a detailed presentation on Treating Covid-19 and Managing Health. Dr Kabra shared information about the existing situations and explained how the virus spreads and enters the human body and the route of infection.

Dr Kabra mentioned that most of the cases are mild and recover without requiring any special treatment. He suggested measures like self-isolation for 15 days, keeping personal things separately, wearing a triple-layer medical mask & discarding it only after disinfecting it with 1% Sodium Hypo-chlorite, following respiratory etiquettes, often washing hands with soap and water or cleaning with alcohol-based sanitiser and strictly following the physician's instructions and medication advised. And said Oxygen therapy and Intensive care is needed to deal with complicated forms of the disease. He also provided the details about Home Isolation Kit and shared the list of COVID Testing Centers.

Members of the Managing Committee, Past Presidents, Expert Committees, Members of FTCCI CEO Forum and Staff of FTCCI participated and interacted with Prof. Dr Nitin Kabra. The sessions were concluded with a vote of thanks by Mr K. Bhasker Reddy, Senior Vice President.

Webinar on “ COVID-19- A Way Forward - 1st October, 2020

Dr Anand Agarwal, a Senior Cardiothoracic Surgeon at Mallalla Reddy Narayana Multispeciality Hospital, said that the public could build natural immunity by practising simple preventive measures to avoid the spread of COVID. Explaining the preventive measures, he said that the most important points are: maintenance of social distance, avoid crowded places, always wearing masks during functions and meetings, and to avoid to go out. He also requested that all not panic if the COVID symptoms are positive and need to consult the doctor for proper medication. Dr Anand Agarwal also suggested few home remedial tips like daily steam inhaling, warm water gargle, cleaning of nasals, intake of nutritious food and more citrus based fruits, and Yoga etc., would build the immunity and stop the virus spread. He called the FTCCI to spread the information of preventive measures in public through its member groups and other communication channels. Referring to the COVID facilitation services by Agarwal Samaj -Telangana, he said that he, along with other doctors, are working with Agarwal Samaj to create more awareness on preventive measures and care of the COVID affected patients at various stages. He appreciated the FTCCI efforts in working with Agarwal Samaj and Jain International Organization for extending the services to its members and their families.

Sri Narendra Surana, Past President, FTCCI and Advisor, Health Care & Disaster Management Committee, FTCCI and Sri Vinod Ranka, spoke about the facilitation services offered by the JITO COVID centre established in August 2020.

Sri Govind Agarwal President, and Sri Shashikanth Agarwal, Vice-president Agarwal Samaj- Telangana explained the facilitation services offered to COVID affected patients such as quarantine, guidance from professional Doctors, hospital services and plasma donation services.

Sri Ramakanth Inani, President, FTCCI, welcoming the participants, said that to enable knowledge sharing and information to spur innovative thinking on the issues surrounded COVID-19 pandemic management, FTCCI has constituted this year an expert Committee' Health Care & Disaster Management. He thanked Dr Anand Agarwal for giving the quickly followed simple preventive measures of COVID. He also appreciated JITO and Agarwal Samaj for their support in COVID facilitation services to FTCCI.

In his introductory remarks, Shri Shekhar Agarwal, Chair of the Committee, explained the objectives of the Committee. To take it forward these objectives, FTCCI has planned for a series of educative sessions with experts and doctors on managing COVID related issues. He assured that FTCCI would take it forward and spread the preventive measures suggested by Dr Anand Agarwal.

Sri Shiv Kumar Rungta, Co-Chair, Sri K. Bhasker Reddy, Sr. Vice President, and Sri Anil Agarwal, Vice president, FTCCI, participated in the discussion.

Webinar on Government measures on COVID 19 – HEALTH CARE REFORMS - 27th November, 2020

FTCCI, FAPCCI, FICCI, & ASCI organized the Webinar. Dr Harsh Vardhan, Hon'ble Union Minister for Health and Family Welfare, Government of India, addressed the participants.

The following officials also attended the event Mr Ramakanth Inani, President, FTCCI, Mr CV Atchut Rao, President, FAPCCI, Dr Subodh Kandamuthan, Centre Director, Centre for Healthcare Management, ASCI, Mr MuralidharanThyagarajan, Chairman, Telangana State Council, FICCI, Mr Shekhar Agarwal, Chair, Mr Narender Surana, Advisor, Healthcare and Disaster Management Committee, Mr K. Bhasker Reddy, Sr. Vice President, Mr Anil Agarwal, Vice President, FTCCI.

Dr Harsh Vardhan observed that the Telangana and Andhra Pradesh Governments have taken steps to include the treatment for COVID-19 under the Arogya Sri Scheme and has taken steps to provide isolation facilities for patients hailing from below poverty line families in the Government Hospitals. He expressed his thankfulness to both the Federations for coming forward to extend all cooperation in working with the Central Government in providing access to health care. Dr Vardhan urged people to follow COVID Appropriate behaviour. He also mentioned that there is no place for relaxation in preventive measures such as wearing masks, keeping distance, and ensuring hygiene because of the persisting pandemic scenario.

Mr RamakanthInani, President, FTCCI, said the government health services are available free of cost to all citizens. He urged to address the severe shortage of trained personnel in government hospitals. He also mentioned that Hyderabad being a pharma hub, happy to note that Pharma companies rose to the occasion and is at the forefront in developing COVID-19 Vaccine.

Mr Shekhar Agarwal, Chair of Healthcare and Disaster Management Committee, said Govt of India took good and fast action to control a deadly disease, resulting in the lowest mortality rate.

This is the greatest contribution that anyone can make to society.

C.V. Atchut Rao, President, Federation of Andhra Pradesh Chambers of commerce and Industry, said the present structure of the primary healthcare system originated in the 1940s, and the 80-yr-old system has several limitations. He suggested that epidemic preparedness must enter our policy and the Government need to encourage innovations and technologies for use in the health care system. Strategic planning with appropriate allocation of funds aimed at self-reliance is a sure step towards actually reaching self-reliance.

Webinar on Distribution of COVID-19 Vaccine In India : The Road Forward - 23rd December 2020

FTCCI partnered with GITAM Business School, Hyderabad, in organising the webinar. Mr Ramakanth Inani, President, FTCCI, mentioned that once the Vaccine is manufactured, the next biggest task will be its distribution to every nook and corner of the country. The distribution involves logistics like storage and transport of Vaccines at a specific temperature that involves the cold chain facilities. More investments in this sector are also needed because the existing distribution infrastructure is designed for child immunisation and not for handling the entire population.

Dr Ravi Prakash Mathur, Vice President, Dr Reddy's Laboratories, spoke about the complexities of the supply chain for providing vaccines considering the travel distance, dry ice requirement for road transportation and vaccination centres for the administration of vaccines.

Mr Sachin Sable, Director, MSD Pharmaceuticals, spoke about the COVID Vaccines' last-mile delivery. He also showed some insights about the completed process, how the distribution system works in the case of a Pharma product & the stages in vaccine development where our country stands in the Regulatory Review by the FDA.

Mr Saurabh Kumar, CEO, GMR Hyderabad Air Cargo, stated that freighter aircraft would help carry and transport the vaccines because it also has to carry the weight of dry ice along with the Vaccine's weight, and the capacity of freighter aircraft is between 5 to 7 tons. He also spoke about Vaccines in phases and how the demand increased for the products like masks sanitiser. Lockdown provided many opportunities rather than threats and briefly explained that exports via aircraft like many P to C (Passenger to Customer) flights are changed as cargo flights to supply sanitisers and masks.

Mr Gubba Kiran, CEO, Gubba Cold Storage, spoke on the key challenges and readiness of the company for Vaccination preservation. He said that the major problem was related to a storage capacity of 500 million vaccines, and only 250 million Doses of Cold storage is available in India. He threw some lights on the challenges faced in Cold Storage.

Mr Shekar Agarwal, Past President and Ms Khyati Naravane, CEO, FTCCI, also participated and spoke on this occasion.

FTCCI and FAPCCI jointly organized Webinar on how to save 80% or more on medicine expenses & more - 22nd January, 2021

Mr P.R. Somani, Founder President The Nizamabad Chamber of Commerce & Industry, Nizamabad in his address, explained the topic in three stages:

1. Everybody should know the detailed facts about the type of medicines and their price structure.
2. They should get confidence regarding the quality of medicines.
3. Where to get quality cheap medicines.

He also explained that with a 30% trade Margin Cap plus taxes on manufacturers' selling prices, medicine prices would come down up to 80 to 90% without affecting the manufacturer profit. On his request and instructions of the PMO office, Pharma Department has brought a 30% Trade Margin cap on cancer drugs effective from 8/3/19; thus, cancer drugs prices are slashed up to 90%. Similarly, he said he was pursuing a 30% Trade Margin Cap on all medicines and devices and expressed confidence to bring down all the medicines prices up to 90%. Further, he also explained that there was no difference between generic or branded medicines as they are monitored by the Food and Drug Administration (FDA).

In his welcome address, Mr Ramakanth Inani, President, FTCCI, mentioned that the rationalization of trade margin on the medicines not included in the Drug Price Control Order (DPCO) would help reduce the prices of about 80 per cent formulations in the country.

Mr Shekar Agarwal, Chairman, Health Care and Disaster Management Committee, FTCCI, in his introductory remarks, mentioned that branded medicines are very expensive, not affordable by low- and middle-income groups- which forms the majority of our population. Brands like Sun Pharma, Dr Reddys Labs, Lupin, Aurobindo, Glenmark, Wockhertz, German Remedies etc., also manufacture generic medicines. It is an excellent service to provide quality medicines at the most affordable and lowest price. Mr Anil Agarwal, Vice President, FTCCI, also participated in the webinar.

Webinar on “Building a Fairer, Healthier World” on the occasion of World Health Day - 7th April 2021

FTCCI, jointly with the Health Department, Government of Telangana, has organized the Webinar. The Chief Guest Sri. Etela Rajender, Hon’ble Minister, Health Medical and Family Welfare Department, Govt. of Telangana, said that as Telangana foresees a second wave of the pandemic, the State’s Health Department has gotten into top gear with a slew of measures, one of them being a new mobile application to improve the ‘trace-test’ mechanism. He spoke about measures undertaken by the Government and said that the Government was aware of the present situation of Covid and proactively taking all steps to help people. He appreciated the efforts of FTCCI for creating awareness amongst its members.

Dr V S AlaguVarsini, IAS, Director, Department of AYUSH, Govt. of Telangana, has given the details of various centres providing quarantine facilities for those in need and informed that Govt arranged 1050 beds in Govt hospitals for migrants, homeless. She requested FTCCI to help with the research of the economic impact of covid on industries.” She briefed about the Preparedness and necessary training for the medical and Paramedical staff, Ayush medicines, especially Homeopathy and Ayurveda and 1st level Covid care centres.

Dr K. Hari Prasad, President, Apollo Group – Hospitals said that before the pandemic, no one had a practice of getting regular health checks; this pandemic taught us to be more careful. He cautioned that even after getting vaccinated and creating antibodies, one can still get COVID and being young will not make people immune to this virus. Since this is a virus, there will be new strains.

Dr Rakesh K Mishra, Director, Centre for Cellular & Molecular Biology (CCMB), said that there are enormous social implications of pandemic situations, and it is a big challenge to imagine a Fairer and Healthier World in the context of restrictions, lockdowns, social stigma, all of which affect the weaker section of the society the most. The most effective method against the current crisis is ‘social vaccine’, which is not expensive. We need to send across the message that masks, social distancing, and hand hygiene will be major deciding factors for how hard or costly this pandemic will be for us. Finally, this pandemic taught us to respect nature and not breach our limits by encroaching wildlife domain. The earth belongs not only to humans. Violating that will be disastrous, as we see in abundance.

Sri. Shekar Agarwal, Chairman of the Health and Disaster Management Committee, FTCCI, said the Federation has been arranging talks from experts and doctors. In association with NGOs like JITO and the Agrawal Samaj Telangana, provided real-time services to all members, covering the treatment of mild and moderate patients with home and hotel quarantine, support of oxygen concentrators etc. The Federation was creating awareness about precautionary measures to be taken against COVID second wave at its scale and suggested enhancing the activities as per expert advice.

Sri. RamakanthInani, President, FTCCI, said that after a year, we are facing the same situation. The second wave poses a significant challenge to health systems, populations, and economies - stretching some beyond their capacities and elevating the risks faced by already vulnerable populations. Digital technologies are already transforming health care, from using drones to deliver blood products and other medical supplies to the use of artificial intelligence to give paraplegic patients improved mobility and develop new medicines. He requested the Telangana Government to prioritize developing, evaluating, implementing, and scaling digital technologies that hold proven maturity, like telemedicine.

Mr K. Bhasker Reddy, Senior Vice President, Mr Anil Agarwal, Vice President and Ms KhyatiNaravane, CEO, FTCCI, also participated in the Webinar. The Webinar was concluded with Q&A.

Webinar on Trade Receivable Discounting System (TReDS) - 17th December, 2020

FTCCI in collaboration with M1Xchange conducted this webinar.

Sri Ramakanth Inani, President, FTCCI, said that TReDS could be a solution to help small businesses mitigate cash flow issues. Covid-19 Pandemic has affected the MSMEs adversely & the majority of them are suffering from financial crunch due to loss of production and low demand.

Sri Prem Chand Kankaria, Chair of the Committee, FTCCI, said that the TReDS program is modernizing and bringing up India. TReDS being a unified and transparent platform connecting all stakeholders will play a crucial role in mitigating the financial crunch that now looms ahead of the MSMEs today.

Sri Josekutty, ICLR, Registrar of Companies for the State of Telangana, said that the RoCs have to monitor the e-filing and when GoI has mandated the large corporate to register themselves on the TReDS platform, they have written many letters to corporates and successfully got a good number of large companies with turnover of over Rs 500 crore to register. He stated that since the registration is only voluntary, they are only encouraging corporate companies to come on board for the benefit of all stakeholders. The scheme is meant for well being of MSMEs by ensuring liquidity immediately.

Sri Y. Mohan, AGM, SBI, said that the MSMEs are always said to be the backbone of the economy, but the fact is that they always face constraints in getting finance at the right times. TReDS platform will be beneficial, as all the participants are directly connected. He requested all the MSMEs to register themselves on the platform and reap the benefit.

Sri Sanjeev Kumar Saini, Assistant Director, MSME-DI, Hyderabad explained the major initiatives of the GoI for MSMEs and encouraged everyone to utilize the services.

Sri Roy Mathew Kurian, National Sales Head, M1Xchange, explained the registration process and the benefits thereof in detail.

Webinar on Real Estate Regulation Act – Overview – Legal Aspects and Compliances - 17th October, 2020

Mr Ramakanth Inani, President, FTCCI, said that introduction of RERA is an important move for the Real Estate sector. To ensure transparency through a single-window clearance for building permissions in urban areas, the Telangana Government introduced the TS-iPASS system, an integrated land records management system through DHARANI.

Mr P. Prem Kumar, Chair of the Committee, mentioned that the transparency in the real estate sector could be brought in only by the Real Estate Regulatory Authorities that are established.

Mr C Shekar Reddy, Advisor of the Committee, opined that once the developers are registered under RERA, GST should be exempted. He also said that Banks might be persuaded to lend at a lesser interest rate for developers. He emphasized that the registered number should be generated immediately once the application submitted for registration under RERA.

CA Abhay Kumar Jain Chairman, and Mr Shyam Sunder Agarwal, Co-Chairman, Legal Affairs & Alternative Dispute Resolutions (ADR) Committee, FTCCI have introduced the panellists. CA Vinay Thyagaraj, Chartered Accountant, Bangalore, has moderated the session.

Mr NipunSinghvi, Advocate, Ahmedabad, briefed the history of the RERA and about its four objectives. CA Mahadev Birla, Chartered Accountant, Ahmedabad, touched on the compliances under RERA. Mr D. Vishnu Vardhan Raju, Former Dist. Registrar, Registration Dept., Govt of Telangana expressed that real estate persons and developers are a service to the nation. Mr K. Bhasker Reddy, Senior Vice President also participated in the meeting.

FTCCI with the support of National Real Estate Development Council (NAREDCO – South) organized a Webinar on Modern Technologies in Construction - 9th January, 2021

Mr. Ranjan Bhandelkar, Vice President, NAREDCO – West said that the pandemic had hit the Real Estate sector badly; however, due to Corona, every individual has felt the importance of owning a home for security himself and his

family. He mentioned that technology would help the developers complete the project in time, and Skilling will be an important factor in using the technology.

Mr Ramakanth Inani, President, FTCCI, said that the Construction industry is an important indicator of development as it creates investment and employment opportunities. It is the third-largest contributor to economic growth.

Mr P. Prem Kumar, Chair of the Committee, said that the construction industry is changing rapidly, and new materials and technologies are being introduced regularly. Execution of construction projects and their timely delivery has become a prime concern for developers. Especially after RERA, which emphasizes the need for timely completion of projects, adopting modern technologies has become the need of the hour. Technologies reduce the turnaround time and improve the quality and durability of construction and attract buyers' interest in affordable housing projects.

Mr Satish Gottipati, Managing Director, Preca Solutions India Pvt Ltd, spoke about Prefab Construction Methods and Prestressed Precast Technology. He said that despite the pandemic, the construction industry in India is expected to post a sharp rebound and grow by at least 10% in 2021. He also mentioned different modern methods of construction.

Mr Kalyan Chakrawarthy Kethana, Head of Design Management at Phoenix Turner (PMO), Hyderabad, said that we need modernized techniques for a fast construction phase. He opined that the developers do not largely adopt the precast method. The developers should welcome the new technologies faster than before to deliver in a short time without cutting in quality and cost. He stressed that skill development is more important than creating labour opportunities.

Mr Prasad Sawant, Head - Engineering and Business Development, JSW Severfield Structures Ltd (JSSL), spoke about Innovations in Steel Construction. He mentioned that the fabricated structural steelwork market share is less than 1% because it's expensive. In a developing country like India, the quality of steel fabrication is not enough and needs to strengthen structural steelwork design efficiency.

Mr Anil Agarwal, Vice President, Ms Khyati Naravane, CEO, FTCCI and Mr Srikanth Badiga, Advisor, Infrastructure, Real Estate and Smart Cities Committee, also participated.

Online Interactive Presentation Meet on the draft guidelines for Industrial Housing for Telangana State - 9th April, 2021

An online Interactive Presentation Meet on the draft guidelines for Industrial Housing for Telangana State was held on 9th April 2021 (Friday) at 4:00 PM.

Sri E. Venkat Narsimha Reddy, Vice Chairman & Managing Director, Telangana State Industrial Infrastructure Corporation (TSIIC), appreciated FTCCI for conducting an interactive meet to elicit the opinions of the industry on the important draft guidelines for Industrial Housing for Telangana State and suggested to come out with best practices elsewhere in the country.

Sri Ramakanth Inani, President, FTCCI, said that it is the responsibility of the government as well as all the stakeholders to provide decent living standards to all and framing the guidelines is the first step towards it. He opined that the Housing Policy would help resolve issues related to the time taken to reach the office and provide the ease of walk-to-work. The move is important given that Telangana has long been planning to shift all manufacturing units outside the city and relocate beyond the Outer Ring Road (ORR).

Sri Srikanth Kireeti, Sr. Associate, Ernst & Young LLP, gave a detailed presentation on the draft guidelines. Sri K Bhasker Reddy, Senior Vice President, and Sri Anil Agarwal, Vice President, also participated in the meeting

Round Table discussion on “Valuing Water” on the occasion of “World Water Day” - 22nd March, 2021

‘Water water everywhere/nor any drop to drink’ by Samuel Taylor Coleredge perfectly suits the present situation about the scarcity of this valuable natural resource in spite of its availability in plenty. Realizing the importance of this valuable resource, FTCCI observed the World Water Day on 22nd April 2021 at Federation House by inviting galaxy of officials, stake holders, NGOs for a Round Table Conference. The theme of World Water Day for 2021 was ‘Valuing Water’.

Sri V Prakash Rao, Chairman, Telangana Water Resources Development Corporation graced the event as Chief Guest. Mr. Pandith Mudhnure, Director, Ground Water Department, Telangana state was the Guest of Honour. Mr. G.V. Krishna, Managing Director, Green Ecowater Systems, the sponsor of the event, Mr. I. Subhash Reddy, Director, SMARAN NGO, Mr. Solomon Raju, Director, SACI Waters were present along with other dignitaries.

Mr. RamakanthInani, President, FTCCI said water conservation encompasses the policies, strategies and activities to manage fresh water as a sustainable resource to protect the water environment and to meet the current and future human demand. To ensure its availability for future generations, withdrawal of fresh water from an ecosystem should

not exceed its natural replacement rate. He called for encouraging rain water harvesting for conservation because the cost to build will be less and the water will be softer.

Mr. Raj Kumar Agarwal, Chairman of the Committee said The World Water Day raises awareness of the global water crisis and the core focus of the observance was to support the achievement of Sustainable Development Goal , i.e., water and sanitation for all by 2030. He also said we can celebrate the World Water Day by practicing ways to conserve water in daily routine. He also mentioned that various stakeholders like Government, industry, workers, policy makers must deliberate on preventing or reducing the industrial pollution.

Mr. Pandith Mudhnure, the Guest of Honour, in his message, enlightened all participants about the present position of water resources in Telangana State. He asserted that based on water level trend analysis, the average groundwater levels in the state have shown falling trend. Due to implementation of multipronged approach in water sector like completion of the Kaleshwaram Lift Irrigation Scheme (KLIP), rejuvenation of 27000 tanks, filling of 10000 tanks on regular basis (now perennial source of water), potable drinking water supply through Mission Bhagiratha, Haritha Haram, micro-irrigation, aquifer rejuvenation through recharge wells etc have brought tremendous change in agricultural sector. Now the water levels are showing rising trends after implementation of the projects.

Mr. V. Prakash Rao, Chief Guest of the event, in his message conveyed that climate is water and water is climate. During the last seven years, the Government has taken several steps to conserve water. With the launch of two flagship schemes, i.e., Mission Bhagiratha and Kakatiya, there is a sea change in water conservation in Telangana. With Long term vision of the Telangana Government, he assured that there will not be any water problem for next 100 years in the state.

Dr. G.B.K.Rao, Managing Director of Pragati Green Meadows and Resorts, informed that with growing trees and conserving nature, the water can be managed. To preserve water, recycling and multiple usage is required.

Mr. G.V.Krishna of M/s. Green Ecowater Systems, informed that they are into manufacturing, erection, installation, and commissioning of waste water treatment plant equipment, supplemented by latest water purification techniques.

Mr. I Subhash Reddy, Director, SMARAN (NGO) said that water and soil conservation are basic necessity for a nation. He explained the rain water harvesting system which can be implemented in the Deccan Plateau regions and the inverse bore well rain water harvesting system for regions such as Hyderabad and appealed to all stake holders, industrialists, farmers and others to utilize the system to conserve water.

Mr. K. Bhasker Reddy, Senior Vice President, administered the oath by all participants regarding meticulous use and preventing wastage of water, water conservation, water management and multiple recycling of water followed by vote of thanks.

With the participation of eminent personalities from both Government and representatives from different industries, NGOs, farmers etc many new ideas and action points have emerged and the same will be brought to the notice of key authorities so that the issue of water conservation and water management can be taken forward.

<p>06/01/2021</p> <p>Smt. Nirmala Sitharaman, Hon'ble Minister for Finance & Ministry of Corporate Affairs, Govt. of India</p>	<p>In representation dated January 6, 2021 addressed to Smt. Nirmala Sitharaman, Hon'ble Minister for Finance & Ministry of Corporate Affairs, Govt. of India by Ramakanth Inani, President, FTCCI that Companies Fresh Start Scheme (CFSS) & LLP Settlement Scheme which was launched for "ease of doing business" and "compliance" and to give one time opportunity to the defaulting companies to file all their pending forms and returns without any additional fees upto 31st December, 2020. There were technical glitches on MCA Portal and portal was not working properly for whole month of December with either SRN not getting generated and amount getting debited from account. Even while doing KYC of directors sometime site did not respond to send OTP'S either on emails or Mobile numbers making it impossible to file KYC of directors. Moreover Form MGT -7 for filing of Annual Return got updated on 9:45 PM at 31st December, 2020, hence the portal did not allow to file the old version of Form MGT -7. Hence the professionals could not take care of such unwarranted situation. it will be hard on the Companies to file the same now by paying such huge additional fees especially considering the sudden outbreak of Covid -19 and thereby preventing the corporates from availing the benefit of said scheme.</p> <p>In view of the genuine hardships & difficulties being faced by the Trade & Industry, the Government has also extended the due dates for filing of Income Tax returns, Vivad se Viswas scheme and GST Returns. We hereby requested the Hon'ble Minister to kindly consider extending the due dates of CFSS & LLP Settlement Scheme till 31st January, 2021 in the best interest of stakeholders.</p> <p>Copy of the representation was submitted to Shri Anurag Singh Thakur, Minister of State for Finance, Shri Rajesh Verma, IAS, Secretary, Ministry of Corporate Affairs, Govt. of India, New Delhi, Sri Josekutty V.E. <p>26/02/2021</p> <p>Smt. Neetu Prasad, I.A.S., Commissioner of Commercial Taxes, Govt. of Telangana, Hyderabad.</p>	<p>In representation dated February 26, 2021 that the State Tax Authorities under GST have recently issued Show Cause Notices (SCN's) arising out of a comparison between GST returns filed and Annual Returns mostly for the year 2017-18 wherein the time provided for reply is a bare 7 days. As you are kindly aware 2017-18 being the First Annual Return under GST for 2017-18 there was lack of clarity on several issues relating to disclosure in the said return.</p> <p>Under these circumstances it is well nigh impossible to provide complete reconciliation in respect of the mismatch in reporting in a majority of cases within a short period of Seven Days.</p> <p>We therefore request the Commissioner to provide sufficient time of atleast 30 days from the date of receipt of SCN for reply to the SCN's in these cases arising out of filings of Annual Returns for 2017-18 and pass on necessary instructions internally so that assessment orders are not passed on ex parte basis.</p>

INDEPENDENT AUDITORS REPORT

To the Members of
Federation of Telangana Chamber of Commerce and Industry
(Formerly Federation of Telangana & AP Chamber of Commerce and Industry)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Federation of Telangana Chamber of Commerce and Industry (Formerly Federation of Telangana & AP Chamber of Commerce and Industry) (“the Federation”), which comprise the Balance Sheet as at 31st March 2021, and the statement of Income and Expenditure and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Federation as at March 31, 2021, and its excess of Income over Expenditure, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Federation in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Federation’s Managing Committee is responsible for the preparation of the other information. The other information comprises the information included Managing Committee’s Report including Annexures to the Managing Committee’s Report, but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Federation’s Managing Committee is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Federation in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Federation and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating

effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Managing Committee is responsible for assessing the Federation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Managing Committee either intends to liquidate the Federation or to cease operations, or has no realistic alternative but to do so.

Those Managing Committee Members are also responsible for overseeing the Federation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- * Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Federation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Federation to cease to continue as a going concern.
- * Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. The Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 shall not apply to the Federation as per exemption

provided under Clause 2(iii) of the order, hence separate statement on matters referred in para 3 of the order is not furnished.

2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Federation so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Income and Expenditure, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 except for subscription from members in arrears and employees leave encashment which are accounted on cash basis.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors (Managing Committee Members) none of the Directors (Managing Committee Members) is disqualified as on 31st March, 2021 from being appointed as a Director (Managing Committee Member) in terms of Section 164(2) of the Act.
- (f) In our opinion considering nature of activity, size of operation and organisational structure of the entity, the Federation has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Federation considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India
- (g) With respect to other matters to be included in the Auditors' Report in accordance with the requirements of Section 197(16) of the Act as amended.

In our opinion and to the best of our information and according to the explanations given to us no remuneration paid by the Federation to any of its Directors (Managing Committee Members) during the year.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Federation does not have any pending litigations which would impact its financial position
 - ii. The Federation did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Federation.

(Formerly The Federation of Telangana & Andhra Pradesh Chambers of Commerce and Industry)
(Registered under Section 25 of the Companies Act, 1956)

NOTE 1

A) SIGNIFICANT ACCOUNTING POLICIES

1) **Method of Accounting:** The financial statements have been prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India, the Accounting Standards as prescribed under Section 133 of The Companies Act, 2013 read with Rule 7 of (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 and are based on the historical cost convention on accrual basis.

2) **Use of Estimates:** The preparation of the financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenditure during the period.

Although the estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision in the estimates is recognized prospectively in the year in which it arise.

3) **Property, Plant and Equipment:** Property, Plant and Equipment are stated at Cost of Acquisition or Construction less depreciation. Depreciation on Fixed Assets is provided on Straight Line Method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. The cost of Property, Plant and Equipment not ready for intended use is disclosed under Capital Work in Progress.

4) **Employee Benefits:**

a. **Group Gratuity:** The Federation contributes to a Group Gratuity Policy with the Life Insurance Corporation of India for future payments of retirement gratuity to eligible employees other than consultants.

b. **EDLI:** The Federation contributes to an Employee Deposit Linked Insurance Scheme (EDLI) with the Life Insurance Corporation of India.

c. **Provident Fund and ESI:** The Federation contributes to Provident Fund and ESI at prescribed rates.

d. **Leave Encashment:** Leave encashment is recognized on Payment.

The above are charged to Statement of Income and Expenditure.

5) **Revenue Recognition:**

a. **Membership Subscription:** Membership subscription is accounted on cash basis except for advance subscription received for ensuing years which is shown under other current liabilities as subscription received in advance.

b. **Interest Income:** Interest Income is recognized on time proportion basis taking into account the accrued amount certified by the bank.

c. **Recognition of Sponsorships:** Sponsorships for Seminars and Conferences from the Corporates/Donors is recognized, where there is reasonable assurance that the Federation will comply with the conditions attached to them and where such benefits have been earned by the Federation and it is reasonably certain that ultimate collection of the sponsorship will be made.

6) **Earnings per share:** Earnings per share is not applicable as there are no shares issued by the Federation.

7) **Provisions and Contingent Liabilities:** A provision is recognized when the Federation has a present obligation as a result of past events i.e. it is probable that an outflow of resources will be required to settle the obligation in respect to which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a potential liability that may occur, depending on an outcome of an uncertain future event. A contingent liability is recorded in the accounting records if the contingency is probable and the amount of the liability

can be reasonably estimated. If both of these conditions are not met, the liability may be disclosed in the notes to Financial Statements.

- 8) **Taxes:** Provision for current taxes has been made on taxable income arising on service activity. Provision for deferred tax has not been made as there is no variation between reported and taxable profit on account of timing difference due to income tax exemption available on other income.
- 9) **Accounting Standards** to the extent applicable and relevant with reference to the transactions undertaken requiring disclosures have been considered.

NOTE 18

A) NOTES ON ACCOUNTS:

- 1) The Government of Andhra Pradesh in 1986 allotted land admeasuring 2000 sq. yards situated at Jubilee Hills, Hyderabad, in lieu of the land that was earlier allotted to Federation by the Government.
