### INTRODUCTION

The pandemic reminded us just how small the world is, as well as the fact that our economies and supply chains are more inter-connected than ever.

While the world GDP is expected to grow at 3-4 per cent in the next five years, the growth of logistics sector is poised to be around 1.5x. The estimated size of the global logistics industry will grow from \$7.64 trillion in 2017 to \$12.97 trillion in 2027, registering a CAGR of 6.5 per cent. The global logistics market reached a value of \$5.2 trillion in 2020 and looking forward, the market is expected to grow at a CAGR of 4.6 per cent during 2021-2026.

The Logistics Sector in India is the backbone of the Manufacturing Industry. India's logistics sector is valued at \$160 billion and employs over 22 million people directly. With the recent announcement of the 'Telangana Logistics Policy', the State aims to attract more investments, create employment opportunities and strengthen the logistics sector.

"The Pinnacle of Success"

#### INTRODUCTION

Presenting yet again a recognition program that values your efforts. It's time to mark and celebrate the best HR processes and people management practices. FTCCI along with the knowledge partner SarvHR, collectively announces the new version of the "Recognition Program" this year, to identify the organizations following the best practices in people processes. It's an initiative that recognizes a company which supports successful HR processes and people with objectives.

#### WHO CAN PARTICIPATE

The program is meant for enterprises of all sizes - small, medium and large. The enrolment has to be completed on or before 10<sup>th</sup> October, 2021

#### HOW TO PARTICIPATE

Interested participants need to follow the enrollment steps given below:

##### NOMINATION :

For the selected category to be received individually. Small, Medium organization with a turnover up to 250 Cr. and Large organizations with a turnover above 250 Cr. have a segment of their own. Total awards proposed are 10. There shall be a nominal fee of participation in each category. Companies can nominate in one or more categories, as per the eligibility criteria.

##### EVALUATION:

- Level 1:** Screening of all the first level entries will be done based on the criteria & eligibility given.
- Level 2:** First stage review based on pre-defined parameters by evaluation panel. List of shortlisted applicants will be announced.
- Level 3:** Finalists will give detailed presentation in front of final panel. Panel will ask questions from the participation and rate every applicant.
- Level 4:** Winners will be decided based on the consolidated average ratings given by all the panel members. Winners will be announced.

#### DECLARATION

The Committees will review the program and honour the winners in FTCCI HR Award Ceremony which will be held in November 2021.

(Note: There will be two committees assigned for evaluation - The first level evaluation committee and the final committee. These committees will consist of judges from various backgrounds such as Industry, Financial, Technology background etc.)

#### AWARDS CATEGORY

##### Small & Medium Organization (can nominate for any of the below categories)

###### Champions in Talent Acquisition and Management

Talent Acquisition is a critical component of any organization's HR strategy. These practices determine the manpower that enters and eventually runs the organization machinery and have an important impact on the employer brand and perceived employee value proposition.

###### Best in Learning & Development

A learning organization is one which promotes and enhances continuous learning of its employees in order to remain competitive. Learning and knowledge acquisition encourage critical thinking and experimentation resulting in improved employee contributions over time.

###### Best in Performance Management Review Process

HR Analytics is the process by which the value of the organization's people is measured and improved for the purpose of enhancing overall organizational performance. The key elements include the tools and technology being adopted, integrating analytics with organizational financials.

##### Large Organization (can nominate for any of the below categories)

###### Excellence in Diversity & Inclusion

Diversity & Inclusion is the collective mixture of differences and similarities that includes for example, individual and organizational characteristics, values, beliefs, experiences, backgrounds, preferences and behaviors.

###### Best in Employee Engagement Strategy

A well-planned-out strategy linking employee engagement to the core of the business. The strategy should be holistic, explaining how all aspects of the employee experience have been considered to improve engagement with the organization and what it seeks to achieve.

###### Best in HR technology / Analytics

Any organization that has used technology to move HR forward. It could be via the application of HR software and analytic systems, online recruitment or an e-learning program and AI and chatbots. It could also explore how HR has supported a major tech investment across the organization.

##### HR Future Leader of the year (Self nomination or by organization)

This award recognizes the game-changing HR directors of the future. It is open to any HR professional and celebrates the rising stars who have already made a big impact on their organizations.

#### ENROLLMENT PROCESS FOR PARTICIPATION
