Interactive Meet on Understanding the Entrepreneurs' Requirements in Manufacturing MSEs TIHCL Bridge Finance for MSEs 18th November 2021 at 3.30 PM at Federation House

Telangana Industrial Health Clinic Ltd (TIHCL) is established to build and develop sustainable entrepreneurial eco system dealing with challenges in manufacturing MSEs in the state of Telangana. The organization is playing a key role in reviving the sick MSEs and also in mitigating the financial crisis of MSEs.

TIHCL helps the stressed entrepreneurs in various ways like consultancy services, engagement with bankers of the Entrepreneurs and also Bridge Finance to eligible units. It has identified **Bridge Finance** as an important tool to mitigate the funding crisis to stressed manufacturing Micro and Small Enterprises (MSEs) of Telangana State against the investment subsidies pending for release.

The two-fold benefits which the MSME's get are:

- Their immediate need for finance is met through the funding
- Since they are on the Bridge Finance from TIHCL, their proposal is fast tracked with the subsidy dispensing departments.

In the Light of the above, FTCCI proposed to organize an interactive meet on **"Understanding the Entrepreneurs' Requirements in Manufacturing MSEs "** **with the officials of TIHCL on 18th November 2021 at 3.30 PM** wherein a platform can be given for the MSE participants to understand the availability of Bridge Finance facility by TIHCL and learn the knitty gritty of the procedures to be carried forward for availing such finances and propel their journey of growth in delay of subsidies.

One-day Certified Programme for DIRECTORS AND PROFESSIONALS TO BE DIRECTORS

13th November, 2021 | 9.30 a.m to 6.00 p.m
FTCCI Surana Auditorium, Federation House, Hyderabad

The new Companies Act, 2013 makes a laudable contribution towards stipulation and elucidation of the duties and responsibilities of the directors of a company. It increased the ambit of the director's duties and responsibilities. Hence, the demand for dynamic, visionary & futuristic board members has increased substantially in India, and so needs for proper training to equip them to cope with the rigorous competition. A Board that does not perform well and works with a lackadaisical attitude can translate into a liability for the company. Untrained directors expose the company to perils, which may lead to criminal prosecutions, steep fines, and loss of reputation of such directors themselves and the company. In realization of this, this Certified Programme is designed for Directors and Professionals to be Directors keeping in mind the unique training requirements and challenges of Directors on Board.

The Certified Course will provide an overview of the Sections and Rules of the Corporate Law in India relating to Annual Report, Financial Statements, Roles and Responsibilities of the Directors in an organization, including the latest Amendments in the Sections, in accordance with the provisions of Companies Act, 2013.

Brief About

Women in India are playing an important role in changing the demographic characteristics of business and economic growth of the country. Around 80% of women from Semi-urban and Rural India feel a significant improvement in their socio-economic and cultural status after starting an enterprise. Businesses owned by women entrepreneurs in India are likely to witness a 90 per cent growth in the coming five years, compared to the US (50 per cent) and UK (24 per cent), according to recent EdelGive Foundation Report.

Keeping in view the pivotal role of women in enhancing the economic growth of the country, employment generation and industrialization, FTCCI is providing three day "Entrepreneur Mentorship Programme for Women". The aim of the Program is to impart Entrepreneurial skills and guide women with all the aspects from conceptualization of business ideas, floating of a new business to scaling the same successfully.
