GOVERNMENT OF TELANGANA

ABSTRACT

ITE&C Department Schemes to promote the Startups with Grassroot/Rural Impact Orders Issued.

Information Technology, Electronics & Communications Department (Schemes for Startups with Grassroot/Rural Impact)

G.O.Ms.No. 8

Dated: 27-07-2021

Read the following:-

1. G.O.Ms.No.10, ITE&C (Promotions) Department, Govt. of Telangana, Dated: 25.07.2017.
2. G.O.Ms.No.8, ITE&C (Promotions) Department, Govt. of Telangana, Dated: 25.07.2017.
3. O.Ms.No.6, ITE&C Department, Govt. of Telangana, Dated: 10.05.2017.

ORDER:

21 Million people out of the total population of 35 Million of Telangana lives in rural areas. The problems of this population are fundamentally quite different from the problems of the urban populace of Telangana. Old-age agricultural practices, lack of access to technological advances, and financial illiteracy are few rural problems to mention. It is critical that we involve the rural citizenry and startups with grassroot/rural impact predominantly to solve these problems through incentives and enablement.

2. The State of Telangana aims to support the Startups with grassroot/rural impact.
3. The definition of Grassroot Innovation, Startups with grassroot/rural impact are defined as below:

Definition of Grassroot Innovation:

Grassroot Innovation is a term that has gained recent popularity in India and other developing nations. While the term “Grassroot Innovation” can be understood by alloying the meaning of the word “Grassroot” and “Innovation” together; its ambit can hardly be contained in the definition. But for the sake of clarity, we would define “Innovation”, “Grassroot” and “Grassroot Innovation” to make the initial contours of this policy.

Innovation: An idea/product which is unprecedented/novel manifested through its usage of either one or multiple of the undermentioned:

1. Method
2. Material
3. Applicatio
4. Business System

Grassroot: Grassroot is a collective term to represent the economically marginalized, bottom most pyramid of the society. For clarification, this economically marginalized section of society is not to be taken as marginalized in other capitals like: skill, intellectual, and ethical. This is a collective mass of people who could be termed as “Last Mile” “The last beneficiary”, “Antyodaya”.

Grassroot Innovation: Grassroot Innovation by simple amalgamation of the definition of its parts becomes: Innovation with direct implication for the people at Grassroots.

4. Grassroot innovation has traditionally been done by grassroot innovators but increasingly startups too have ventured into the space of grassroot innovation.

To define the Startups with Grassroot/rural Impact:

Definition of “Startups with Grassroot/Rural Impact”:

A registered entity (Private Limited Company, Registered Partnership Firm, Limited Liability Partnership, Sole Proprietorship, or One Person Company) that uses technology or innovative methodologies to improve livelihoods, processes, lifestyles, health, education or the general welfare of the people at **grassroots** as defined in the definition above will be called as Startups with grassroot/rural impact.

TSIC will be the nodal agency to provide recognition for a startup to belong to the category of “Startup with Grassroot/Rural Impact”.

5. The Government of Telangana has decided to implement the following schemes for Startups with Grassroot/Rural impact as defined above.

- 5.a) **Incentives to provide grant support to startups with Grassroot/Rural Impact:** The incentive is designed to provide early monetary support in the form of grants to innovative solutions that have potential to solve the local/social problems, innovated by startups with grassroot/rural impact.

The innovations must have a rural population as their focus and must be novel, experimental and demonstrative in nature, leading to transfer of technology and commercially viable solutions.

5.a.1) Objectives:

- To enable an innovative idea into a working prototype.
- To provide a platform for faster experimentation and modify approaches in the idea to market journey.
- To provide financial assistance to conduct pilot study of the innovative product/service.
- To provide financial assistance to the startup for proof of concept, product trials, market entry and commercialisation.

5.a.2) Grant Details:

Total corpus - Rs. 20,00,000/- per year

Overall Ticket Size: Rs. 5,000 - Rs. 2,00,000

Applications are open round the year

First Cycle May-June-July

Sl.No.	Type of Support	Extent of Support
1	Prototype	Max of Rs. 1 lakhs
2	Pilot Grant	Max of Rs. 2 lakhs
3	Pilot Grant	Rs. 50,000 - 2,00,000

5.a.3) Telangana recognized startups can apply for the incentives in the incentives section of the Startup Telangana website (<https://startup.telangana.gov.in/>). Annexure-3 of the G.O. will detail the application form for the reference.

5.a.4) The eligibility, process of applying and monitory & evaluation of the incentive can be found in Annexure-1 of the G.O.

5.b) Incentives to promote public procurement for startups with Grassroot/Rural impact:

5.b.1) Objective:

To promote public procurement from startups with Grassroot/Rural Impact. This incentive has been envisaged to release purchase and work orders to eligible startups with grassroot/rural impact which have worked with Telangana government departments at the state level or with district administrations, and have reached a stage where the corresponding two latter entities are ready to either procure the goods and services, or pilot the solutions of the entity in their particular departments/jurisdiction.

5.b.2) Details of the Grants:

Total corpus - Rs. 10,00,000/- per year PO order amount: Rs. 50,000 - Rs. 1,00,000 Applications are open round the year
First Cycle May-June-July

5.b.3) Telangana recognized startups can apply for the incentives in the incentives section of the Startup Telangana website (<https://startup.telangana.gov.in/>). Annexure-4 of the G.O. will detail the application form for the reference.

5.b.4) The eligibility, process of applying and monitory & evaluation of the incentive can be found in Annexure-2 of the G.O.

5.c) Incubation Support to “Startups with Grassroot/Rural Impact”:

TSIC has undertaken to develop the social impact ecosystem of Telangana through dedicated efforts like TSSN, Social Cafes, and Impact Network (Directory) over the past one year. Thus, in order to further support promising startups with grassroot/rural impact to solve pertinent problems of Telangana, TSIC will every year evaluate startups with grassroot/rural impact looking for incubation support. The evaluated startups will be presented before the Grassroot Advisory Committee, and based on the decision of the committee, the recommended startups will be nominated to one of the state-supported incubators. The entire cost of such an incubation support will be entirely borne by TSIC for such startups

5.d) Mentorship & Capacity Development Workshops:

TSIC will conduct dedicated training, capacity building workshops, and provide access to highly qualified mentors for startups with grassroot/rural impact. The training, capacity building, mentorship will be free of cost to the startups.

2. The Grassroot Advisory Committee in Annexure-5 of the G.O. to play a consultative role to advise on the vision, goals and approach/strategy for the grassroot and social innovation ecosystem in Telangana. The committee will advise on the criteria of recognizing the innovators and will provide recommendations on various schemes, grants, to be provided to the Innovators and the startups with grassroot/rural impact. The Grassroot Advisory Committee shall be composed of members from the Government, Academia and the Industry. The CIO will be the Convener of the Committee.
