One-day Certified Programme for **DIRECTORS AND PROFESSIONALS** TO BE DIRECTORS

13th November, 2021 | 9.30 a.m to 6.00 p.m FTCCI Surana Auditorium, Federation House, Hyderabad

The new Companies Act, 2013 makes a laudable contribution towards stipulation and elucidation of the duties and responsibilities of the directors of a company. It increased the ambit of the director's duties and responsibilities. Hence, the demand for dynamic, visionary & futuristic board members has increased substantially in India, and so needs for proper training to equip them to cope with the rigorous competition. A Board that does not perform well and works with a lackadaisical attitude can translate into a liability for the company. Untrained directors expose the company to perils, which may lead to criminal prosecutions, steep fines, and loss of reputation of such directors themselves and the company. In realization of this, this Certified Programme is designed for Directors and Professionals to be Directors keeping in mind the unique training requirements and challenges of Directors on Board.

The Certified Course will provide an overview of the Sections and Rules of the Corporate Law in India relating to Annual Report, Financial Statements, Roles and Responsibilities of the Directors in an organization, including the latest Amendments in the Sections, in accordance with the provisions of Companies Act, 2013.

Brief About

Telangana Industrial Health Clinic Ltd (TIHCL) is established to build and develop a sustainable entrepreneurial eco system in the Micro & Small Enterprises (MSE) domain to help them deal with the challenges in manufacturing in the state of Telangana.

The organization plays a key role in reviving sick MSEs and in mitigating their financial problems and helps the stressed entrepreneurs to gain strength through their consultancy services, engagement with the Entrepreneur's bankers in finding solutions and in raising bridge finances.

TIHCLuses Bridge Finance as a tool against the **pending** investment subsidies from the Govt. to relieve the funding problems of stressed manufacturing (MSEs)

The dual benefits the **Bridge Finance provides are:**

- Meeting their immediate financial needs.
- Fast tracking their proposal with the subsidy dispensing departments.

Attend the interactive meet to understand how Bridge Finance can help propel your growth journey despite subsidy disbursement delays.
