FPOs - Industry Interactive Meet

Horticulture and Spice Products

Date : 6th January, 2023 at 11.00 am
Venue : KLN Prasad Auditorium, FTCCI, Hyderabad

India is a major producer of several agricultural / food items in the world but only less than 10 per cent of that is processed. Demand for processed food items is set to increase in India in the coming years providing opportunities for greater value addition, lower wastages and alternative employment opportunities. Analysis of corporate data shows that food processing firms have been profitable, but the value addition component needs to increase significantly.

FPOs - Industry Interactive Meet is organized to establish link between Buyers (Industry) and Sellers (FPOs) for their mutual benefit.

OBJECTIVES

- Enhancing business / market opportunities for FPOs
- Ensuring quality raw material supply for Industry.
- Minimising the price fluctuation.
- Increasing the income of farmers.

Anil Agarwal
President

Meela Jayadev
