49th Meeting of the GST Council18th February, 2023

The 49th meeting of the GST Council was held on 18th February, 2023 at Vigyan Bhawan, New Delhi under the chairpersonship of the Union Finance & Corporate Affairs Minister **Smt. Nirmala Sitharaman**.

- I. Government of India has decided to clear the entire pending balance GST compensation of Rs. 16982 crore for June'2022 as shown in the table below. Since, there is no amount in the GST compensation Fund, Centre decided to release this amount from its own resources and the same will be recouped from the future compensation cess collection. With this release, Centre would clear the entire provisionally admissible compensation due for five years as envisaged in the GST (Compensation to States) Act'2017. In addition, Centre would also clear the admissible final GST compensation to those States who has provided the revenue figures as certified by the Accountant General of the States amounting to Rs. 16,524 crores.
- II. **GST Appellate Tribunal**
The Council adopted the report of Group of Ministers with certain modifications. The final draft amendments to the GST laws shall be circulated to Members for their comments. The Chairperson has been authorised to finalise the same.
- III. **Approval of the Report of GoM on Capacity Based Taxation and Special Composition Scheme in certain Sectors on GST:**
With a view to plug the leakages and improve the revenue collection from the commodities like pan masala, gutkha, chewing tobacco, the Council approved the recommendations of the GoM including, inter alia, that
 - the capacity based levy not to be prescribed;
 - compliance and tracking measures to be taken to plug leakages/evasions;
 - exports of such commodities to be allowed only against LUT with consequential refund of accumulated ITC;
 - compensation cess levied on such commodities to be changed from ad valorem to specific tax based levy to boost the first stage collection of the revenue
