SECTORS

Launched in 2023 as FTCCI's flagship industrial event, IITEX set a compelling benchmark from its very first edition bringing together over 100 exhibitors, 5,000+ business visitors, and representation across many sunrise industrial sectors, participation from pan India and international business delegations, etc.

IITEX 2025 accelerated this growth significantly, strengthening B2B engagements and cementing the expo's reputation as Telangana's foremost platform for industrial dialogue and deal-making.

IITEX 2026 raises the bar further with a sharper sectoral focus, expanded national and international participation, and an enhanced programme of thought leadership, live demonstrations, and high-value networking. It is the platform where Telangana's industrial ambition meets global opportunities.

MINISTRY OF POWER

NOTIFICATION

New Delhi, the 13th March, 2026

G.S.R. 186(E).— In exercise of the power conferred by sub-section (1), read with clause (z) of sub-section (2), of section 176 of the Electricity Act, 2003 (36 of 2003), the Central Government hereby makes the following rules, further to amend the Electricity Rules, 2005 namely: —

1. Short title and commencement.— (1) These rules may be called the Electricity (Amendment) Rules, 2026.

(2) They shall come into force on the date of their publication in the Official Gazette:

Provided that sub-rule (2)(d)(ii), (iii) and sub-rule (4) of Rule 3 shall come into force on the 1st April, 2026.

2. In the Electricity Rules, 2005, for Rule 3, the following rule shall be substituted, namely:—

“3. Requirements of Captive Generating Plant.—(1) For the purposes of this rule, unless the context otherwise requires,—

(a) “captive user” shall mean an end user of the electricity generated in a Captive Generating Plant, and includes a person or group of persons who consume such electricity either directly or through an Energy Storage System used for storing energy generated from such Captive Generating Plant, and the term “captive use” shall be construed accordingly,

Explanation. - Where a captive user is a company, the captive user shall be deemed to include its subsidiary or subsidiaries, its holding company, and any other subsidiary or subsidiaries of such holding company, and shall be collectively treated as a single captive user.

(b) “subsidiary company” shall have the meaning assigned to it under clause (87) of section 2 of the Companies Act, 2013 (18 of 2013);

(c) “holding company” shall have the meaning assigned to it under clause (46) of section 2 of the Companies Act, 2013 (18 of 2013).

(d) “ownership”, in relation to a generating station or power plant set up by any person, shall mean proprietary interest and control, or equity share capital carrying voting rights, held either directly or through its subsidiary or subsidiaries, its holding company, and any other subsidiary or subsidiaries of such holding company.

(e) “Special Purpose Vehicle” shall mean a legal entity established for the sole purpose of owning, operating and maintaining a generating station, and which does not undertake any other business or activity.

Explanation. - For the purposes of these rules, a Special Purpose Vehicle shall be treated as an Association of Persons.

(2) (a) No power plant shall qualify as a captive generating plant under section 9 read with clause (8) of section 2 of the Act unless —

(i) not less than twenty-six per cent of the ownership is held by the captive user (s); and

(ii) not less than fifty-one per cent of the aggregate electricity generated in such plant, during the financial year, is consumed for captive use.

(b) In case of a generating station owned by a company formed as special purpose vehicle for such generating station, a unit or units of such generating station identified for captive use and not the entire generating station satisfies the conditions contained in sub-clause (i) and (ii) of clause (a) above.

Explanation. — For the purpose of this sub-rule:

(1) the electricity required to be consumed by the captive users shall be determined with reference to the aggregate generation of the generating unit or units identified for captive use, and not with reference to the generating station as a whole; and

(2) the equity shares to be held by the captive user or users in the generating station shall not be less than twenty-six per cent of the proportionate equity of the company corresponding to the generating unit or units identified as the captive generating plant.

Illustration. - In a generating station with two units of 50 Mega Watt each namely Units A and B, one unit of 50 Mega Watt namely Unit A may be identified as the Captive Generating Plant. The captive users shall hold not less than thirteen per cent of the equity shares in the company (being the twenty six per cent proportionate to Unit A of 50 Mega Watt) and not less than fifty one per cent of the electricity generated in Unit A determined during the financial year is to be consumed by the captive user(s).

GOVERNMENT OF TELANGANA ABSTRACT

Industries & Commerce Department-Incentives for setting up of New Industrial Enterprises in Telangana State under Micro, Small & Medium Enterprises Policy, 2024 - Operational Guidelines for Implementing the Policy Orders - Issued.

INDUSTRIES AND COMMERCE (FP & MSME) DEPARTMENT

G.O.MS.No.06

**Date : 23.03.2026
Read the following**

In the references 1st to 4th read above, orders were extending incentives to the eligible Industries/Service Sector Enterprises under T-IDEA and T-PRIDE Schemes and these orders were applicable to the units which commenced operations from 01.01.2015 to 31-03-2019 (both days inclusive). In the reference 5th read above extended the operational period of T-IDEA and T-PRIDE from 01-04-2019 to till further orders.

2. In the G.O. eh read above, orders were issued for extending Incentives/benefits to all eligible Micro, Small and Medium Enterprises set up in the State, except in the Municipal Corporation limits of Greater Hyderabad Municipal Corporation. Eligible Micro, Small and Medium Enterprises established from 18-09-2024 to 31-03-2029 (inclusive of both the days) within the existing and to be developed Industrial Estates/Parks within the GHMC limits are also eligible for availing incentives under this Policy. However, Micro, Small and Medium Enterprises established within Sanathnagar, Azamabad, Chandulal Baradari and Kattedan Industrial Estates within GHMC limits are not eligible for any Incentives/concessions. Projects involving substantial Expansion/Diversification of existing Industries in the eligible lines of activities are also entitled for benefits offered under the policy. This policy is applicable to the Micro, Small and Medium Enterprises which commence operations from 18-09-2024 to 31-03-2029 (inclusive of both the days). The orders issued in the references 1st to 5th cited cease to exist, henceforth, for Micro, Small and Medium Enterprises from 18-09-2024. However, the units which commence operations between 18-09-2024 and the date of issue of these guidelines are free to choose the Incentives under this policy or earlier T-IDEA/T-PRIDE Schemes.

3. The Director of Industries, Hyderabad in the reference 7th read above, has submitted Operational Guidelines for implementation of MSME Policy (Incentive Scheme) 2024 for approval of Government. 4. Government, after careful examination of the matter, hereby issue the Operational Guidelines under MSME Policy (Incentive Scheme), 2024 as appended to these Orders. Government have also considered that the time of six months period for filing claim applications from the date of issue of operational guidelines for existing Enterprises/Industries which have already commenced commercial production with effect from 18.09.2024. In case of all other Enterprises/Industries commencing production after issue of operational guidelines claim applications can be submitted as per the time limit prescribed in the Operational Guidelines.

5. The Director of Industries, Hyderabad shall take necessary further action in the matter accordingly.
