Trade Notice No.25/2026-27

Sub : Introduction of Open API Integration for Certificate of Origin (CoO) through Trade Connect e-Platform-Reg

The Directorate General of Foreign Trade (DGFT) has been undertaking various initiatives for digitalisation and ease of doing business. In this regard, an Open API facility for issuance of Certificates of Origin (CoOs) has been introduced on the Trade Connect e-Platform and is now being released and made available for use by eligible exporters/systems as per the prescribed process and technical requirements.

2. The objective of the Open API facility is to enable exporters to integrate their Enterprise Resource Planning (ERP), accounting or other software systems with the DGFT's Certificate of Origin system for electronic submission and exchange of CoO-related information, thereby reducing manual data entry and facilitating a more efficient application process.

3. **Access and Onboarding:** The complete process for registration, API access, authentication, technical integration and use of the Open API facility is available on the Trade Connect e-Platform at: "<https://www.trade.gov.in/pages/certificate-of-origin> —> API Management for Exporters"

3.1. The Help Manual containing the step-by-step procedure for accessing and using the facility is provided at Annexure-I.

4. **Support Channels:** Exporters and stakeholders are encouraged to reach out to the DGFT Helpdesk with respect to any queries, suggestions, or feedback related to the eCoO module. Support is available through the following channels:

- **Toll-Free Assistance:** You may contact the DGFT Helpdesk through our toll-free numbers for support.
- **Email Inquiries:** For clarifications or further assistance, please e-mail DGFT.

6. All concerned stakeholders are encouraged to undertake the necessary technical integration and make use of the Open API facility in accordance with the process and technical specifications prescribed by DGFT.

This is issued with the approval of the competent authority.
