# INDIA - THAILAND

## *Relation*

---

India and Thailand, located in each other's extended neighborhood, share a maritime boundary in the Andaman Sea. India's bilateral relations with Thailand are rooted in history, age-old social and cultural interactions and extensive people to people contacts. The shared link of Buddhism is reflected in regular pilgrimages to places of Buddhist interest in India by a large number of Thai people. Hindu elements can be found among those reflected in Thai architecture, arts, sculpture, dance, drama and literature. Thai language incorporates Pali and Sanskrit influences. A large Indian diaspora living and working in Thailand is another important bond.

Thailand, which aspires to be a regional hub given its central location in South East Asia, initiated a 'Look West' policy in 1997. This seeks to accord priority to strengthening relations with South Asia and beyond. The 'Look West' policy of Thailand complements India's 'Look East' policy, which is now elevated to 'Act East' policy and has provided the basis for a substantive elevation of bilateral relations. Thailand also launched its 'Act West' policy in 2016.

Thailand plays an important role in various regional and sub-regional groupings. It is, therefore, an important partner for India in the India-ASEAN Summit Level Partnership, the East Asia Summit (EAS), the Bay of Bengal Initiative for Multi-Sectoral Technical and Economic Cooperation (BIMSTEC), the Mekong Ganga Cooperation (MGC), Asia Cooperation Dialogue (ACD) Indian Ocean Rim Association (IORA) and Ayeyawady - Chao Phraya-Mekong Economic Cooperation Strategy (ACMECS). Thailand was the Country Coordinator for India-ASEAN Dialogue Relations from Aug 2018 to Aug 2021 (3 years).

Thailand handed over Country Coordinator ship for ASEAN-India Dialogue Relations to Singapore on 4 August 2021. Thailand took over the BIMSTEC Chairmanship from Sri Lanka on 30 March 2022 for next 2 years.

Ambassadors of India, Australia, Japan & US Cd'A in Thailand jointly presented 200,000 doses of Made in India Covovax vaccines to Thailand under the Quad Vaccine Partnership on 21 April 2022. This was in fulfilment of the commitment made by Prime Minister, Shri Narendra Modi, at the Quad Leaders' Summit in Washington DC in September 2021 to donate 500,000 doses of COVID vaccines to countries in the Indo-Pacific region under the Quad Vaccine Partnership.

The celebration of 'Azadi Ka Amrit Mahotsav' was launched in Thailand on 12 March 2021 with the release of Thai language translation of the Constitution of India by Mr. Chuan Leekpai, President of the National Assembly and Speaker of the House of Representatives of Thailand.

Mr. Don Pramudwinai, Deputy Prime Minister and Minister of Foreign Affairs and Smt. Suchitra Durai, Ambassador of India to Thailand jointly presided over the logo unveiling ceremony on 21 March 2022 on the occasion of the 75th anniversary of the establishment of India-Thailand diplomatic relations. The logo design contest was launched in January 2022 in collaboration with the Thai Ministry of Foreign Affairs.
