INTRODUCTION

Established in 1917, The Federation of Telangana Chambers of Commerce and Industry (FTCCI) is an apex body for industry, trade and commerce in Telangana. With a direct membership of 3000 + and 25000 indirect members through affiliated associations, FTCCI works across 17 business verticals and have expert committees under each vertical supporting and protecting the interests of large enterprises as well as Small and Medium Enterprises (SME). FTCCI works closely with the Government of Telangana and acts as a bridge between industry, government and academic institutions through its industry-academia connect initiatives.

FTCCI organizes annual conferences, training programs, skill development programs and exhibitions across various sectors, particularly aimed at empowering industrialists, MSME's, start-ups, academicians, students and professionals delivering valuable insights and bridging knowledge gaps. These programs equip entrepreneurs with the skills required to adapt to changing market dynamics, from sustainable business practices to AI integration, navigate through the evolving business landscapes and thrive.

FTCCI upholds continuous learning and robust networking, policy advocacy, economic development and business support as the key pillars driving the business community.

FTCCI EXCELLENCE AWARDS 2026

Instituted in the year 1974, FTCCI Excellence Awards is a flagship event of FTCCI to recognize excellence and outstanding achievements of the industry in Telangana.

The awards honor organisations, visionary business leaders and innovators for their remarkable achievements, resilience, innovation and impact in business across 21 categories. FTCCI Excellence Awards are open to large enterprises as well as small and medium industries, start ups and individuals across various domains.

Nominations received through an online portal are reviewed by an eminent jury and backed by a rigorous evaluation framework, making the FTCCI Excellence Awards among the most credible business excellence awards in Telangana.
