

PARTNERSHIPS

A) GOVERNMENT - CENTRAL/STATE

Skill development has emerged as a priority that needs strategic and planned policy cum intervention so as to ensure inclusive growth. The centre will organize various programmes with the support of Ministries of Central/State Governments and other Government agencies. FTCCI will make efforts to get accreditation to carry out programmes recognised.

B) INTERNATIONAL COLLABORATIONS

Recognising the huge demand to foster international collaborations with developed and industrialized countries like UK, Germany, Australia, Japan and others, efforts are made to collaborate with international organisation that provide industrial, vocational and educational training through physical and or online that are accredited by partner agencies.

C) PRIVATE/CORPORATE

A lot of private sector companies are investing into the skill development of the work force. Through these partnerships, we will provide technical training across various sectors such as textiles, agro & food processing, engineering, construction, leather, auto, pharmacy, IT and others. Such alliances will ensure sustainable partnerships in shaping the communities where their employees live and work.

INFRASTRUCTURE

It has excellent infrastructure facilities like class rooms, ICT equipment and various other requirement to impart training/skills. Wherever necessary the participants required to undergo practical understanding, the visits will be organized, so as to get familiarized.

POKARNA LIMITED

FTCCI Pokarna Skill Centre

Training & Development

OUR VISION

Impact quality training through Skilling, Upskilling & Reskilling for increased productivity and employability of workforce; bridge skill gaps and foster start-ups

INTRODUCTION

The skill development centre is an outcome of mission of the FTCCI to address the need of the industry for skilled work force by providing quality and practical training combined with unique learning and real life application programmes. The centre will foster a culture of innovation, exploration and learning for youth to improve their ability, eventually linking them to employment or entrepreneurial careers.

The centre will conduct continuous training programmes for Youth, Freshers, Graduates, Entrepreneurs, Mid level Managers, Women Startups and Self Help Groups (SHGs), MSMEs and others, who will benefit from our curated programmes. The duration of the courses will be range from one day to six months depending on the curriculum and skill set requirements.

The centre through its training methodology aims to contribute towards nation building by facilitating synergy between academia, industry and government which is in line with the Government of India's Skill India Mission.

MISSION

- ▶ To Create an end-to-end implementation for skill programmes
- ▶ To create aligned workforce for industry's demand
- ▶ Building core competencies and augmenting better skill sets of international standards
- ▶ Identifying new technological advancements & emerging trends, to introduce more practical oriented syllabus.

OBJECTIVE

1. To conduct skill development programmes which aim at skilling, re-skilling and up-skilling thereby improving employability.
2. To promote entrepreneurship.
3. To cater to the needs of MSMEs and large industries by providing skilled workforce.
4. To endorse the knowledge exchange programmes.
5. To facilitate the industry – institution interactions.
6. To contribute to the manpower development and elevate the standards of youth socially and economically.
7. To connect with the government and share inputs for the development of the State/Country.

ORGANIZATION STRUCTURE

The Centre will be headed by a Director with supporting staff to conduct various training programs. The Faculty and Trainer will be drawn from Industry, Practitioners, Academia, apart from related Government Agencies. A Advisory Board will oversee the functioning of Centre.

CERTIFICATION

A certificate will be issued to the participants after successful completion of the training/course.

ABOUT FTCCI

The Federation of Telangana Chambers of Commerce and Industry, (FTCCI) is an apex body representing the interests of Industry, Trade & Commerce in the State of Telangana. The Federation is actively and consistently engaged in protecting the interests of the industry and commerce and is playing a constructive role in policy formulation for rapid industrial progress in the State for more than 100 years. The Federation has always played a very proactive role in raising the issues and concerns of the industry and trade through its various expert committees, made several representations to the government at state and central level, organised interaction/webinars with Ministers and bureaucrats and timely disseminate information of GOs, Guidelines and Circulars through its publications & social media and most importantly organizing series of seminars/conferences / skills enhancement programmes as per the industry needs
