TSRTC STEPS INTO CARGO AND PARCEL BUSINESS – BRIEF NOTE ON ITS OPERATION.

Telangana State Road Transport Corporation is a state-owned corporation that runs transport services within the state of Telangana and other neighbouring states and actively involved in passenger transportation.

At present, 9,700 buses are under operation from 97 bus depots and transporting about 81.00 lakh passengers per day across the state and covering nook and corner of Telangana State, Operating to Karnataka viz., Bangalore, Mysore. Pune, Shiridi and Bombay in Maharashtra. Chennai in Tamilnadu. Jagdhalpur in Chattisgarh. Vijayawada, Visakhapatnam, Vijayanagaram, Srikakulam, Rajahmundry, Tirupathi, Kurnool, Kakinada, Eluru, Tadepalligudem, Bheemavaram and many more places in Andhrapradesh.

LOGISTICS BUSINESS:

As transportation of bulk goods demand has grown significantly in the state, we have moved towards Logistics sector also with a view to transport bulk luggage through our separate Cargo Transport closed Vehicles which can carry up to 9 tonnes.

We have conceptualized Cargo and Parcel & Courier services. With Effect From 19.06.2020 .

Cargo Services: TSRTC has introduced **Cargo** services with **150 cargo bus services with carrying capacity of 9 tonnes and also 50 MINI cargo vehicles whose carrying capacity is 3 tonnes.** Tracking facility through GPS will also be provided shortly. The details of space for cargo in these buses are as follows.

- 1) Big Cargo Bus (Ashok Leyland): 26ftx8x6 (L,W&H).
- 2) Mini Bus (Ashok Leyland) : 21ftx6ftx6ft (L,W&H).

We have 97 bus depots across the state of Telangana. Therefore, in and around Telangana state in case of any emergency replacement of vehicles , the cargo from near by depots can be replaced or mechanical teams can be attended to ensure timely maintenance required if any on enroute. Further to inform that, we undertake preventive maintenance system at 4 levels which takes care of healthy fleet position. Daily the logsheet complaints of drivers will be attended on high priority. Thereby, we ensure breakdown free services.

We have experienced and well trained drivers and some of them have not even involved in single accident even for 36 years of their services

తెలంగాణ రాష్ట్ర రోడ్డు రవాణా సంస్థ

Parcel Services: We started Parcel and Courier business at 147 bus station locations and also expanding business with Agents and Employee Agents. In this regard, we propose 2 business solutions for your needs.....

1)we take up bulk booking i.e., 2 to 4 tonne in our buses. The rates are highly reasonable i.e., Rs.824 per tonne for 100 Kms. For transporting more than 4 tones cargo vehicles can be used up to 9 tonnes. The rates are highly reasonable and on par with market rates.

Bus dickey will be provided under which one compartment will be given exclusively on monthly basis. Rs.4.00 per Km for Dickey space and advance amount equivalent to one month shall be paid.

2)we can depute our personnel with vehicle at your stocking point for picking up Parcels for its transshipment through Cargo Transport Vehicle. The such Parcels will be delivered at your given place safely and in time.

Our mission is to provide fastest, safest, and nearest to public through our buses.

It is not out of the place to proudly mention that, during the last 4 months of Parcels and Courier transshipment not even a single Parcel or Courier was misplaced.

At present, TSRTC is providing service to the Govt. Departments such as (1) Telangana Foods, (2) TS Markfed and (3) Telangana State Civil Supplies Corporation(4)State Trade Promotion Corporation Pvt Ltd., (5)FCI (6) Dr BR Ambedkar Open university, (7) State Handloom & Textiles etc.,.

We assure that, we have committed work force and the transshipment of goods will be carried out with utmost care and dedicatedly and ensure its safe delivery to the respective consignees.
